Mrs. Alberg
Sister Doris
Mrs. Junod
Mrs. Villeneuve
Mrs. Gatfield

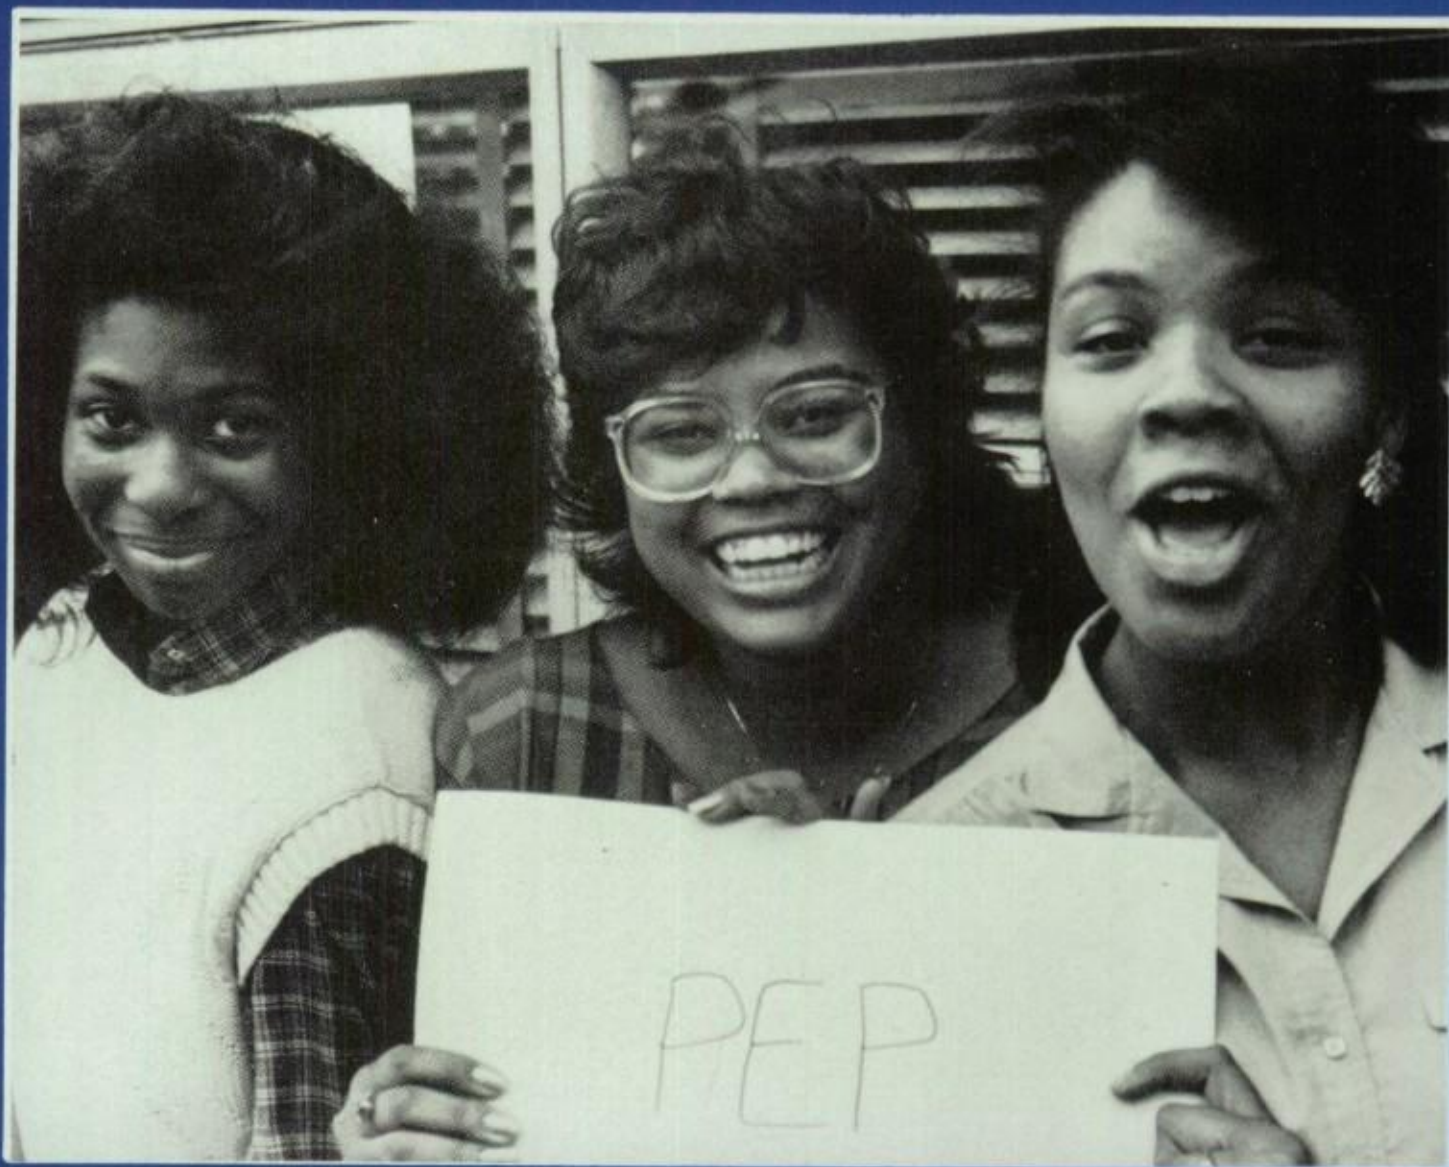

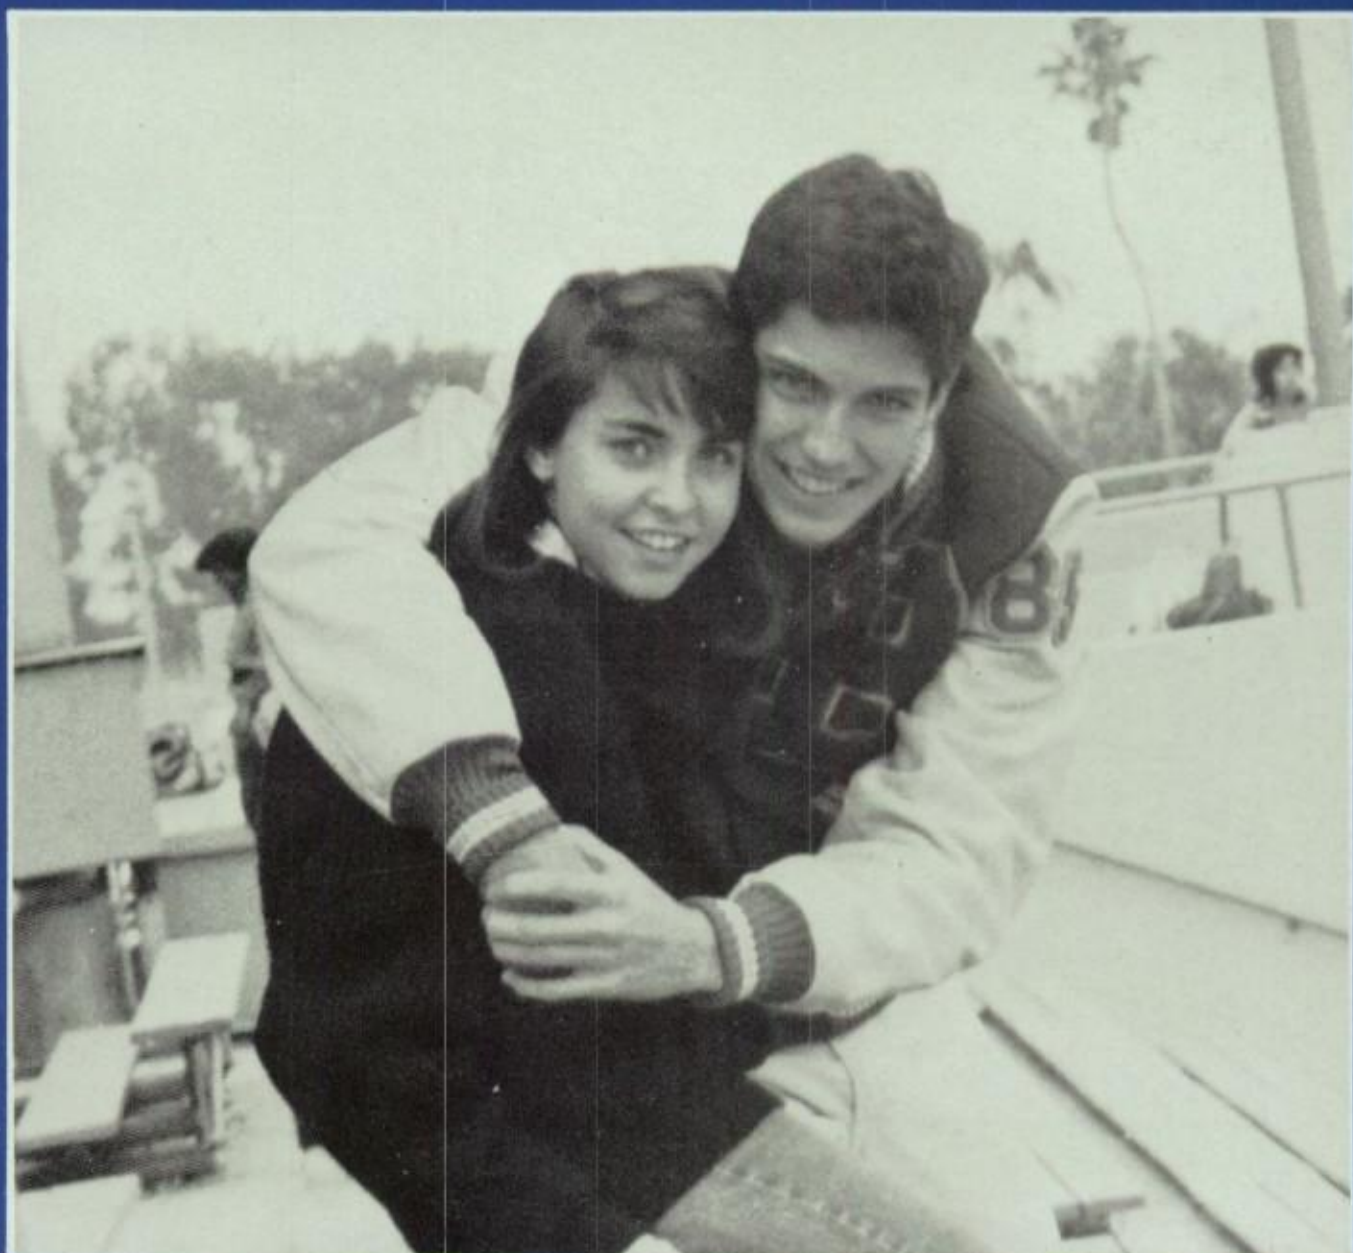

For many years now at St. Bernard's there has been a family of dedicated individuals who strive to promote Christian ideals and the school's philosophy. This group is composed to many members from the Villeneuve branch of the family tree; Mrs. Alberg, Sr. Doris, Mrs. Villeneuve, Mrs. Junod and Mrs. Gatfield. You should know these women because they are a part of everyone's day in one way or another. Mrs. Alberg, who takes attendance, is always there to accommodate your needs with kindness. Mrs. Junod, the Director of Student Activities, helps plan and direct all of your successful student functions. Mrs. Gatfield, her daughter, is dependable and you can count on her to happily offer a helping hand or advice. In the math department, we are fortunate to have Sr. Doris and Mrs. Villeneuve who are genuinely concerned about their students and are willing to put out an extra effort so that their pupils really learn the materials. St. Bernard is forever indebted to all these outstanding women for their loyalty and persistent efforts that help make our day complete.

Looking back at the past we
will remember the good times
that we shared

Someone who is an
Example of what the
New Freshman would like to be
Intelligent and wise
Offering the other students a
Role model of what a
Sophisticated person is like

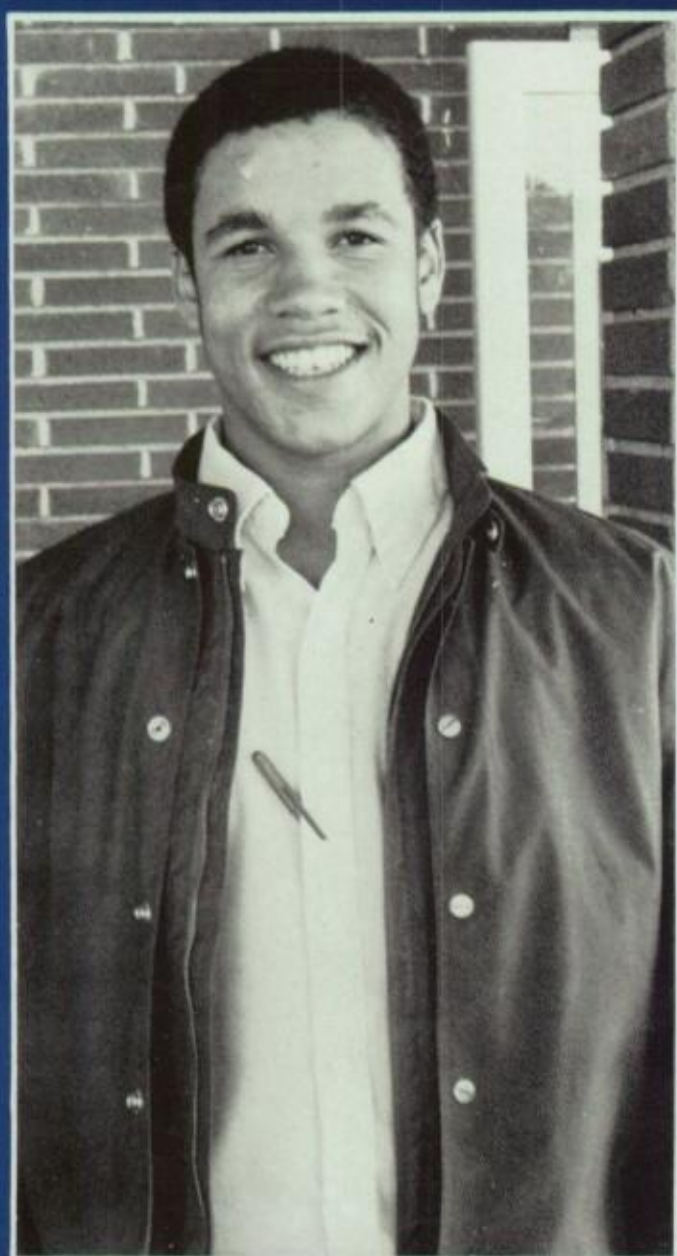

Friendship —
is there any correct words
to use when describing a
friend?

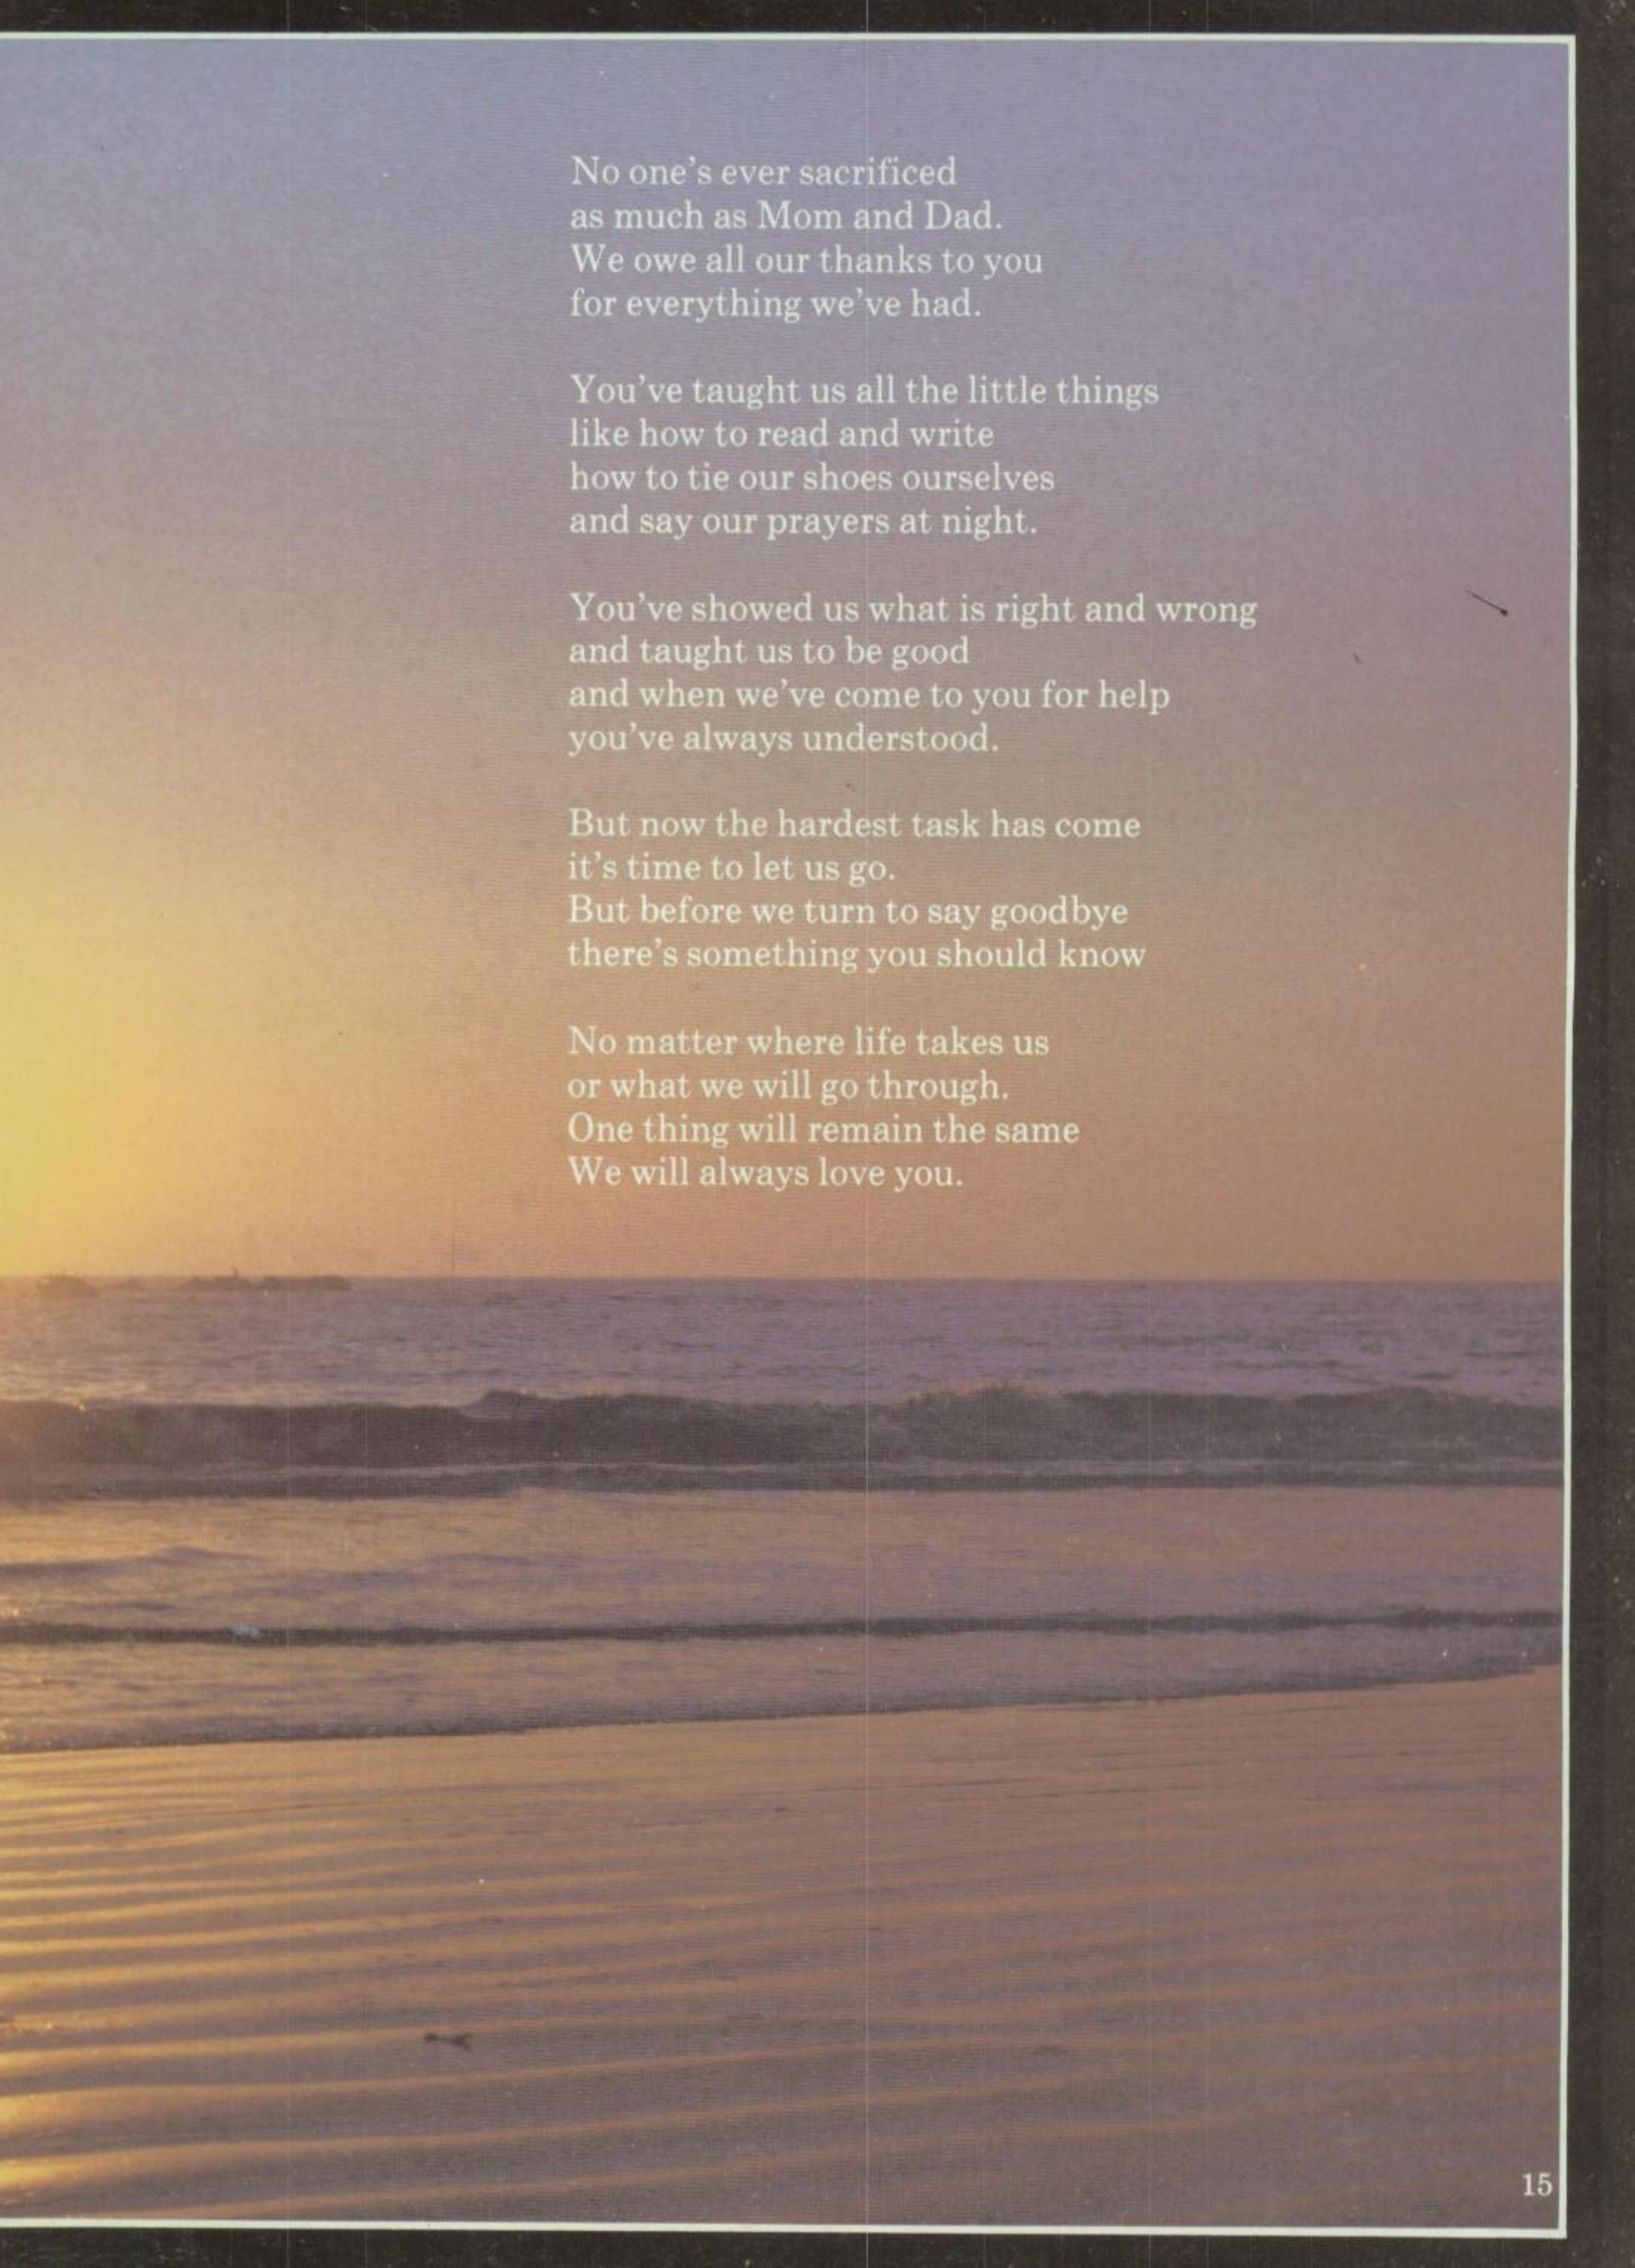

True, they're a special someone
but is there a rule to how much you
must share?
it could be as great as your deepest
feelings
or as little as mutual confusion in
class
Whatever the reason for sharing
or whatever extent of caring
I thank you my friend for being

dear
enricha, hey
chuck, what's up?
and your ^{group} disease! so, how's
ps. this ugly. say sweet
try to improve your
look please. I.T. 672-

Kathy

No one's ever sacrificed
as much as Mom and Dad.
We owe all our thanks to you
for everything we've had.

You've taught us all the little things
like how to read and write
how to tie our shoes ourselves
and say our prayers at night.

You've showed us what is right and wrong
and taught us to be good
and when we've come to you for help
you've always understood.

But now the hardest task has come
it's time to let us go.
But before we turn to say goodbye
there's something you should know

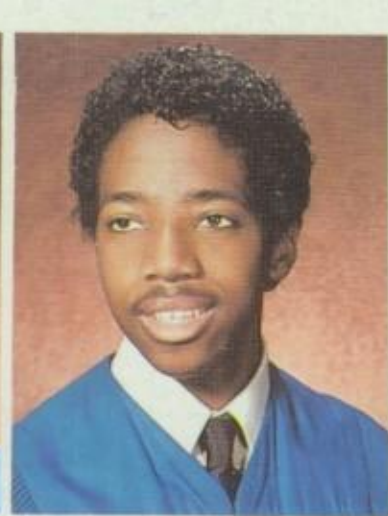

No matter where life takes us
or what we will go through.
One thing will remain the same
We will always love you.

FRESHMEN

To Ericka,
Even though
you're a pest at times,
I must admit that you
are a nice young lady. I only have
one question to ask you. Why did you quit
track? I really think that you should have stayed
on the team. You better run next year, or else you
can expect to hear from me next year + it won't
be all that pleasant (just kidding). Anyway,
have a great summer + stay out of trouble.
And I hope to see you next year. You have
to excuse my handwriting because I'm
writing kind of fast. Stay sweet (I +
you can manage to handle that)

CROSS-COUNTRY

The 1984 Boys' Cross-Country season was, if nothing else, successful. The Varsity team had great individual and team success. The captain, Rick Lopez, super tough Sean Hart, track star Eric Simmons, and super athlete Chris Brazil, all made the All Camino Real League team. Lopez, Simmons, and Hart also won individual awards at the Bell-Jeff and Mt. Sac Invitionals. The team, strongly supported by the pivotal fifth man, Al Hernandez, Brett Moore, Stuart Moore and Leo Surprenant, made a little history in the course of the season. The Vikings finished in second place in the Camino Real League, with a 4 and 1 record, and became the first team in five years to qualify for the CIF Championships. Team honors were also earned at the Bell-Jeff and Mt. Sac Invitionals and the team had a very respectable performance at the Stanford Invitational.

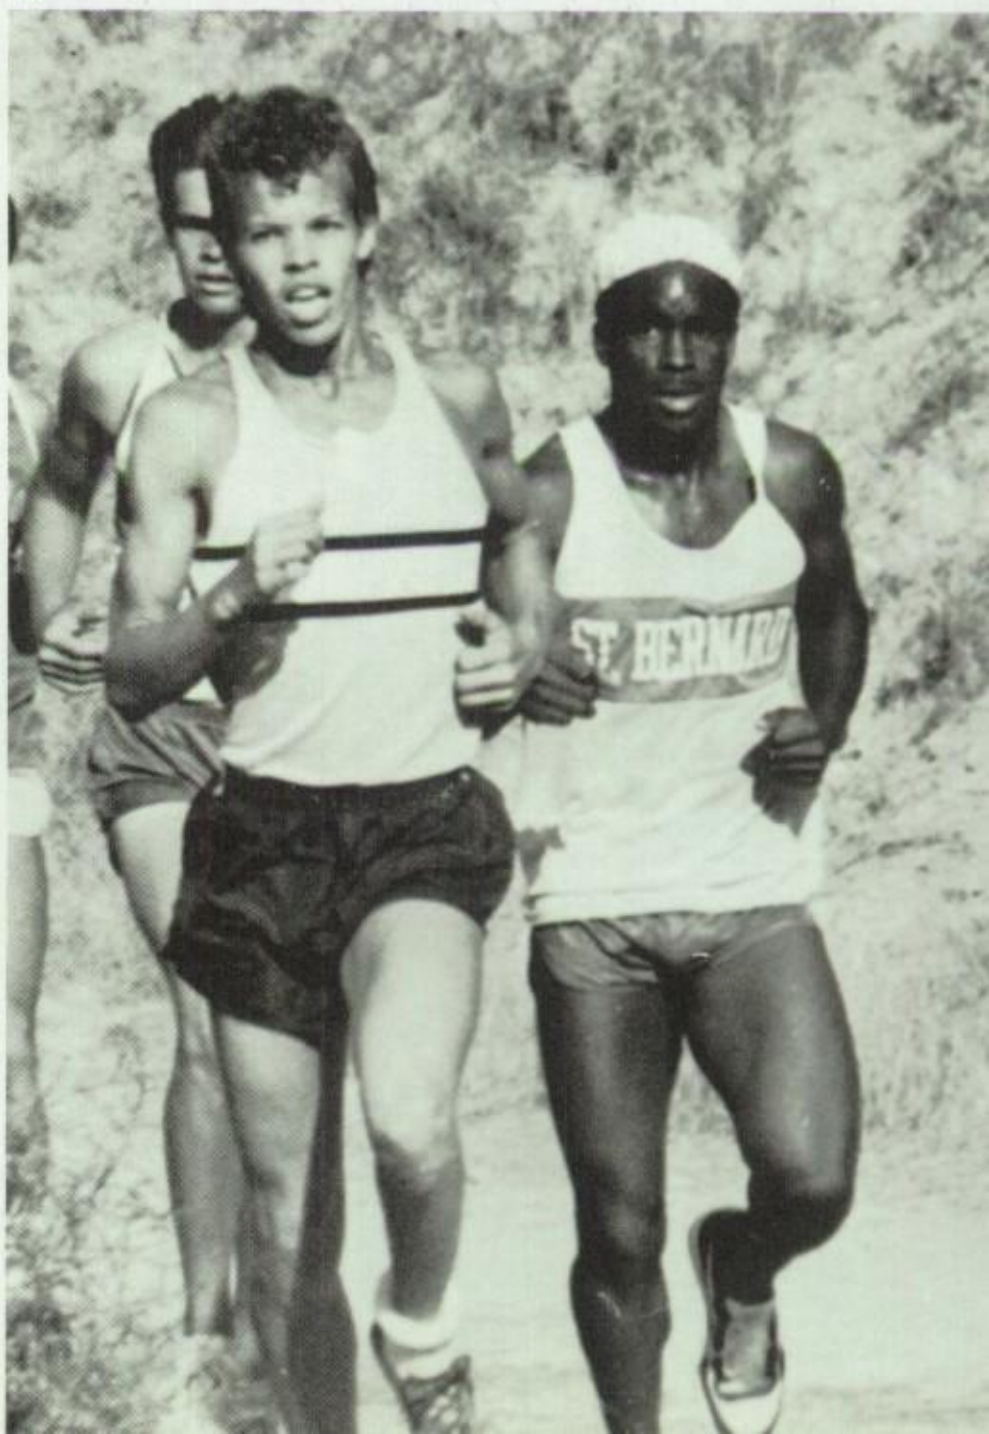

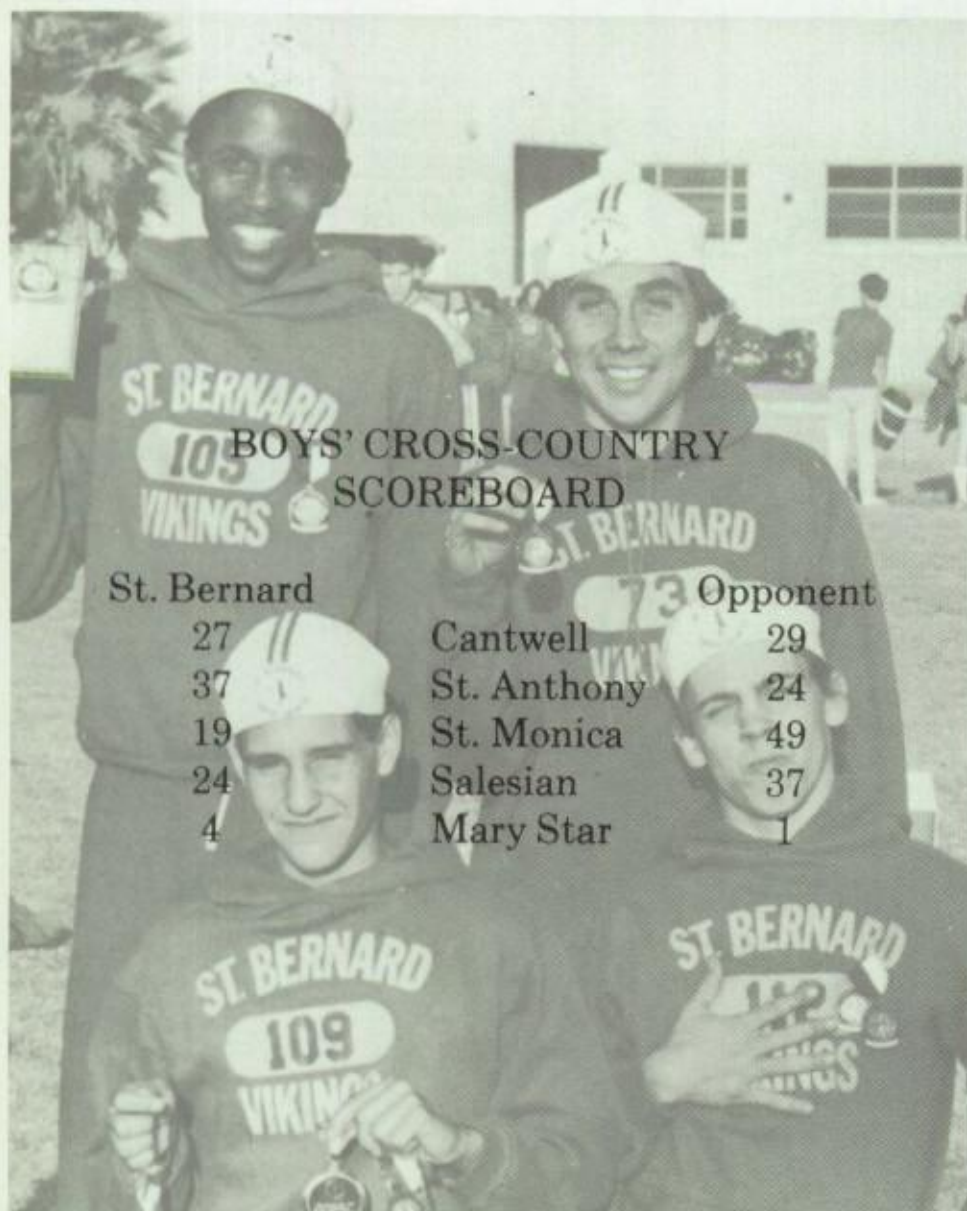

Although four of the top five runners will graduate, great expectations are set for the coming years with the success of the J.V. team. They also had individual and team success. Sophomore, Art Lopez led the team and earned individual honors at the Bell-Jeff Invitational and finished in second place in the league finals. The team finished in third place in the league and had a 3 and 2 record. They also won a team award at the Bell-Jeff Invitational.

CROSS-COUNTRY

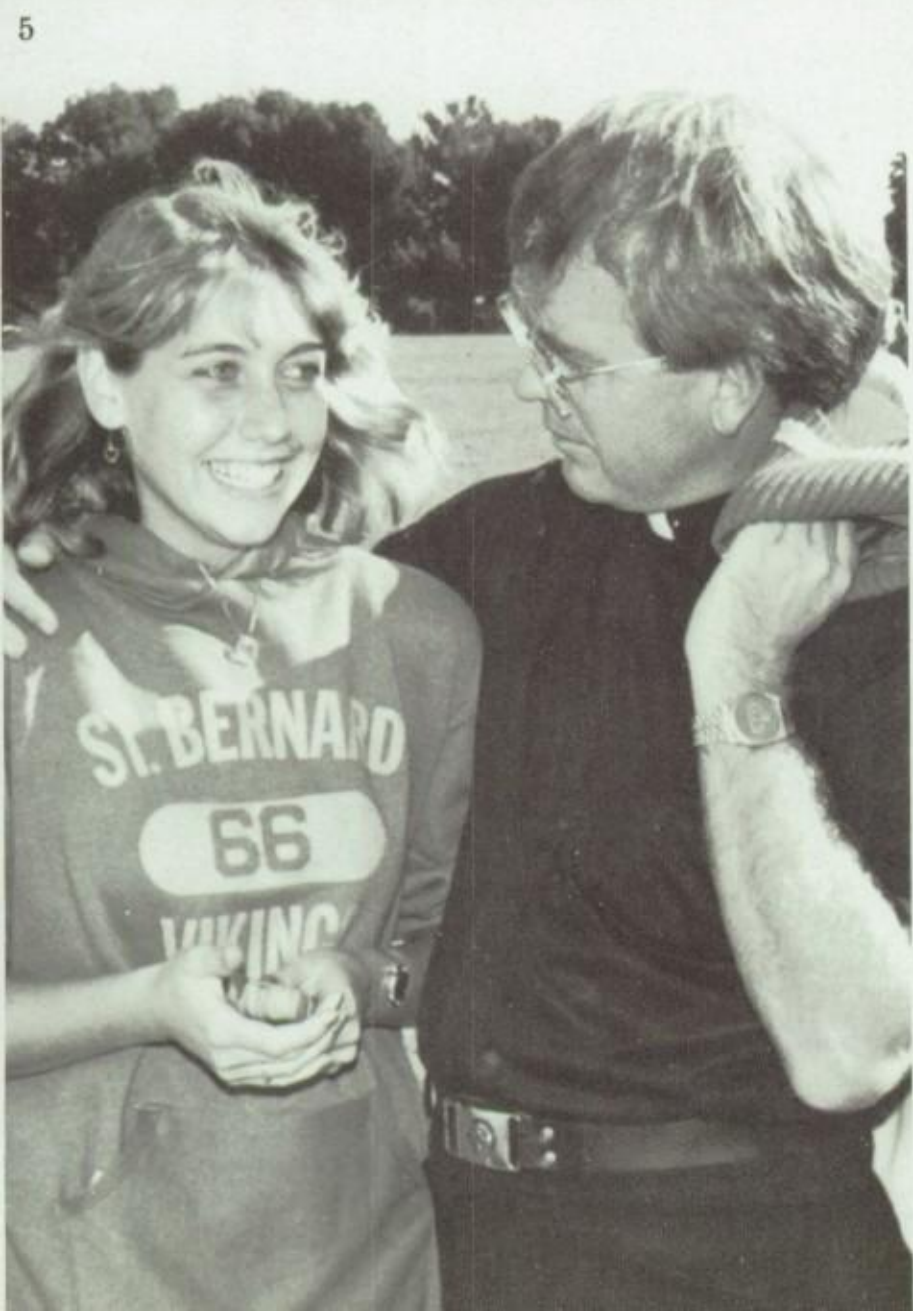

Once again, this year's girls' team's main foundation was unity. Freshman girls were the main participants on the team this year, learning their skills from the 3 veterans on the team, Jackie Perle, Susan Hawkes and Tammy Trujillo.

Though injuries occurred half the girls, preventing them from competing, but the girls managed to pull together and ended up placing 4th in their league. Some of the teams' races took place at Will Rogers State Park, Pan Pacifier Park and the toughest of them all, Mt. Sac. The girls want to thank their new Coach, Laurie Lynch, who pulled this year's team together and emphasized the importance of team unity. Some of the award winners this season were Jackie Perle — (coach's award and most valuable), Co-Captain, Tammy Trujillo — (most inspirational and coach's award), Brenna Talamante — (rookie of the year), and Jennifer White — (scholar athlete).

Since there are only two graduating seniors (T. Trujillo and C. Bangasser) next year's cross-country team will have already established a good foundation and look to have a promising season.

VARSITY VOLLEYBALL

For the third consecutive year, the Girls' Varsity Volleyball team took first place with a very impressive record. Overall, the Vikings went with a league record of 10-0. The team advanced to the second round of the C.I.F. playoffs before being defeated by Channel Islands.

The Vikings were led by Camino Real League MVP Lisle Vencill. Her skill and dedication helped the Vikings in many games. Co-Captain Jill Sanders also contributed a great deal and was named to the All-League first team. Chante' Hardesty was named to the All-League second team. Honorable mentions go to Julie Glenn for her devastating play. All-in-all the Vikings really proved that it takes team effort to be number one.

VARSITY BASKETBALL

Losing all five starters from the previous season, we had a little re-building to do this season. With no player over 6'4", rebounding was sure to be a problem. Nonetheless, we were ranked in the top ten in the state most of the year and our 4 point loss to number-one ranked Mater Dei gave evidence of our potential.

The Camino Real League was extremely strong this year. Serra, St. Anthony, and Verbum Dei were all ranked in the top ten at one time this season. The team split with each one of these schools; winning at home and losing on the road. Our league record was 11-3. St. Anthony and Serra both tied for first with records of 12-2. Verbum Dei was fourth with a record of 10-4.

We had hopes of playing in the Long Beach Arena for the CIF semi-finals but we lost our final game of the year to much taller Ocean View team in the quarter-finals.

VARSITY BASKETBALL

The 1984-85 season was a very exciting and productive one for the Girls' Varsity Basketball team. The Lady Vikes started out their season strongly, capturing fourth place in the prestigious Bishop Montgomery tournament. Led by Senior Captain Genell Smith, the Varsity defeated 4-A Rolling Hills and West Torrance before the Camino Real League season began. Under the direction of Coach Pamela Walker, the girls continued to do well in League, and were in a three-way tie for second place going into the last round of League play. The tie was broken as the girls won three out of their last four games, including big wins over Mary Star and St. Anthony's, to earn a much sought-after playoff spot. Junior Shana Alexander led the team in scoring, averaging 15 points a game, and Senior Celeste Rabb came on strong after being sidelined with a knee injury for five weeks. The girls traveled north to San Luis Obispo, where they lost a tough game to the second-ranked Tigers. With seven girls returning next year, the 1985-86 season promises to be filled with lots more exciting basketball action.

JV BASKETBALL

The final measure of a team's success cannot be determined solely by its won-lost record, but in deciding if by season's end the team reached its potential. As such, this year's Viking JV team enjoyed a very successful season under the guidance of Coach Marc Paez. The pre-season was highlighted by a second place finish in the First Annual St. Bernard JV Tournament, and a fourth place trophy in the Morningside Tournament. Included in this streak were victories over rival Westchester and a talented Long Beach Poly team. League play showed great improvement as the Vikings rolled to an 11-3 mark, good for second place in the tough Camino Real League. The team demonstrated its strength and potential with an overwhelming victory over Verbum Dei to clinch second place in league. All season long, both Eric Dunn and Jarmal Richard were the team's offensive leaders as they each captured All-Tournament honors in the St. Bernard Tournament, and Eric earning the same honor at Morningside. These two, along with Bryan Martin, Terry Evans, William Hewitt, Lonnell Tyars, Matthew Harmon, James Hamilton and Freshman standout Royce Clayton provided the bulk of the scoring as the team attained a 15-8 overall record. But all 13 members were equally responsible for the team's very successful season.

1. Jarmal Richard leaves the defense on the ground. 2. Bryan Martin at muscles opponents for a basket. 3. 1985 J.V. Basketball. 4. Viking Skyforce: Eric Dunn above the rim for a basket. 5. Royce Clayton with the pearls.

JV BASKETBALL

The Girls' Junior Varsity team enjoyed one of its most successful seasons ever with the help of seven talented freshmen, led by guard Pamela Nelson and forward Denise Rose. The JV started out strongly, and was undefeated in League until the last round, where they faltered a little, losing to Mary Star and St. Mary's. The girls regrouped, however and managed to finish in third place, just one game behind Mary Star. Sophomore Felicia Dixon was high scorer for the JV, averaging 10 points and 7 rebounds a game. The fun and enthusiasm exhibited by the Girls' JV made all their games a pleasure to watch.

SOPHOMORE BASKETBALL

The Sophomore Basketball team had a fine year capturing the Camino Real League title with a 5-1 mark. Rookie Coach Chris Turkmany's young Vikings finished with a 9-8 overall record. The season was full of streaks. After a 3-1 start, the team lost four games, won four games and lost two more before picking up two wins and a loss to finish the year. The worst of these two wins was a first place showdown against St. Anthony, won in the final seconds at home. The other win was a season-ending 18-point thrashing at Verbum Dei. Co-captains Will Jones and 6'3" Mile Quinn led their team in scoring most of the season: Will with his unstoppable outside jumper; while Mike's inside game, both offensively and defensively, provided many problems for opposing teams. Opponents also had trouble keeping Damon Leopold off the boards. Damon's rebounding and streaky scoring were responsible for many victories. John Zumbrun played his finest ball toward the end of the season. His last-second shot pushed the Vikes past St. Anthony. Marty Sissac, Darin Knight, Elmer Bancud and John Rabun made their biggest contributions on the defensive end. Marty was a sparkplug both on and off the court. He led the team in defensive charges. Dave's tough defense forced many turnovers while his assists led to Viking baskets. Elmer and John were undoubtedly the best athletes on the team. Elmer played both guard positions and his speed started or finished many fast breaks. John terrorized the offensive and defensive boards and gave opposing big men nothing but trouble. Reserves Carlyle Toliver and Gerald Moore, in limited playing time started at least one game and contributed greatly to the team's winning season.

1. Marty Sissac's defense foils a Serra player. 2. John Zumbrun goes up high for a lay up. 3. 1985 Sophomore Basketball Team. 4. John Raburn and Elmer Bancud battle for position under the basket as Will Jones gets off his shot. 5. Will Jones makes a basket.

FROSH BASKETBALL

The 1984-85 version of the St. Bernard Freshman basketball team was one of the most overpowering in school history. The Frosh rolled through the Camino Real league unscathed with a record of 14-0, finishing with an impressive overall record of 19-3. Early in the season, the Vikings captured second place in the prestigious Bishop Montgomery Tournament, with Keith Brown being named All-Tournament. Keith Stanberry, Hakim Mendez, and Tige Yeargin received Honorable Mention. The Vikings then swept through the tough Camino Real league with help from Eric Douglas, Ricardo Rodriquez, Scott Spalding, and Eric Nelson.

A tenacious defense held opponents to an average of less than forty points a game, while the fastbreaking offense, quarterbacked by Brown, scored consistently and often. Coached by Gary Grayson, the team improved vastly to outclass much of the opposition. "The next three years should be something special," commented Coach Grayson, "This is a very talented group of freshmen."

SOCCER

The Soccer squads proved their talent and determination as they powered to a first (Varsity) and second (Junior Varsity) place finish in league play this year. After a shaky beginning with injuries and losses, the Vikings regrouped for their season schedule. Outstanding play by Kevin Burke, John Stonks, Tony Catanzarini, Max Lang, and Moran Nickleberry led the varsity squad ahead of their opponents and into the playoffs.

The JV's promise to keep the soccer program strong for the next few years. Special recognition goes to Azalie Nickleberry, Vince Dell'Olo and Rodney Landis for their contributions to a fine season.

Under the guidance of coaches Jack Moran, Jaime Romo and Gil Van Herbert, the squads matured and showed their potential. Next year promises even bigger honors for St. Bernard with returning players and staff. Congratulations SOCCER STARS!

GIRLS' SOFTBALL

This year's Varsity softball team appeared to be very young; consisting of only 3 seniors, however, this didn't not hinder the overpowering desires of the team to pull together and have a productive season. Our defense was especially strong, with returners Kathy Harding, Chante Hardesty, Rosa Delgado, Laura Christine and newcomer Karen Morton. The batting strength came from seniors Chante, Rosa, Nora and juniors: Kathy and Karen. This year's pitching was especially strong with returner, starting pitcher, Stacey Stronks and newcomer Susie Durand, who were both very consistant throughout the season.

BOYS' TRACK

The boys track team had a season of mixed results. On one hand several individuals achieved success all season long but the Camino Real League championship eluded the team, as the team was unable to put it all together in the important dual meets.

Alex Herrera, Jeff Holmes, Julio Hanson, and Eric Simmons of the sprints; Chris Brazil, Sean Hart, Rick Lopez, and Art Lopez of the distances; and Troy Hoffman, Jim Hawkes, and Jon Harmon in the field events led the Viking trackmen. These and several others placed well in the Taft Relays, Bishop Amat Relays and League Finals.

Head coach Tom O'Brien, who had been with the SBHS program for the past 8 years; Joe Volk, coach of the middle and long distance runners; and Greg Pittman, the sprint coach, see a hopeful future for the track team. An increase in turnout, this bolstered by a talented group of underclassmen could provide the Vikes with that League Crown.

1. Jeff Holes over the hurdle. 2. Jason Martin, Jim Hawkes, John Green and Coach O'Brien.

The 1985 Track Team had a very successful year. We were coached by Valarie Thrope. Girls speed coach, and Laurie Radanovich girls distance coach. The girls speed led by Captain Adrienne Tyson, and girls distance by Captain Susan Hawkes.

The team was made up mostly of freshman, who will assist the team in the future to many victories. Some of the excellent athletes from girls speed were Felecia Dixon, Adrienne Tyson, and Gina Porter. The leaders were Cathy Bangasser, Tiffinay Nevils, and Breena Talamantes. Mary Mapes and Susan Hawkes, the team clowns, kept the team spirited. The girls placed second in League with 5 wins, 1 loss.

EIGHTY FIVE

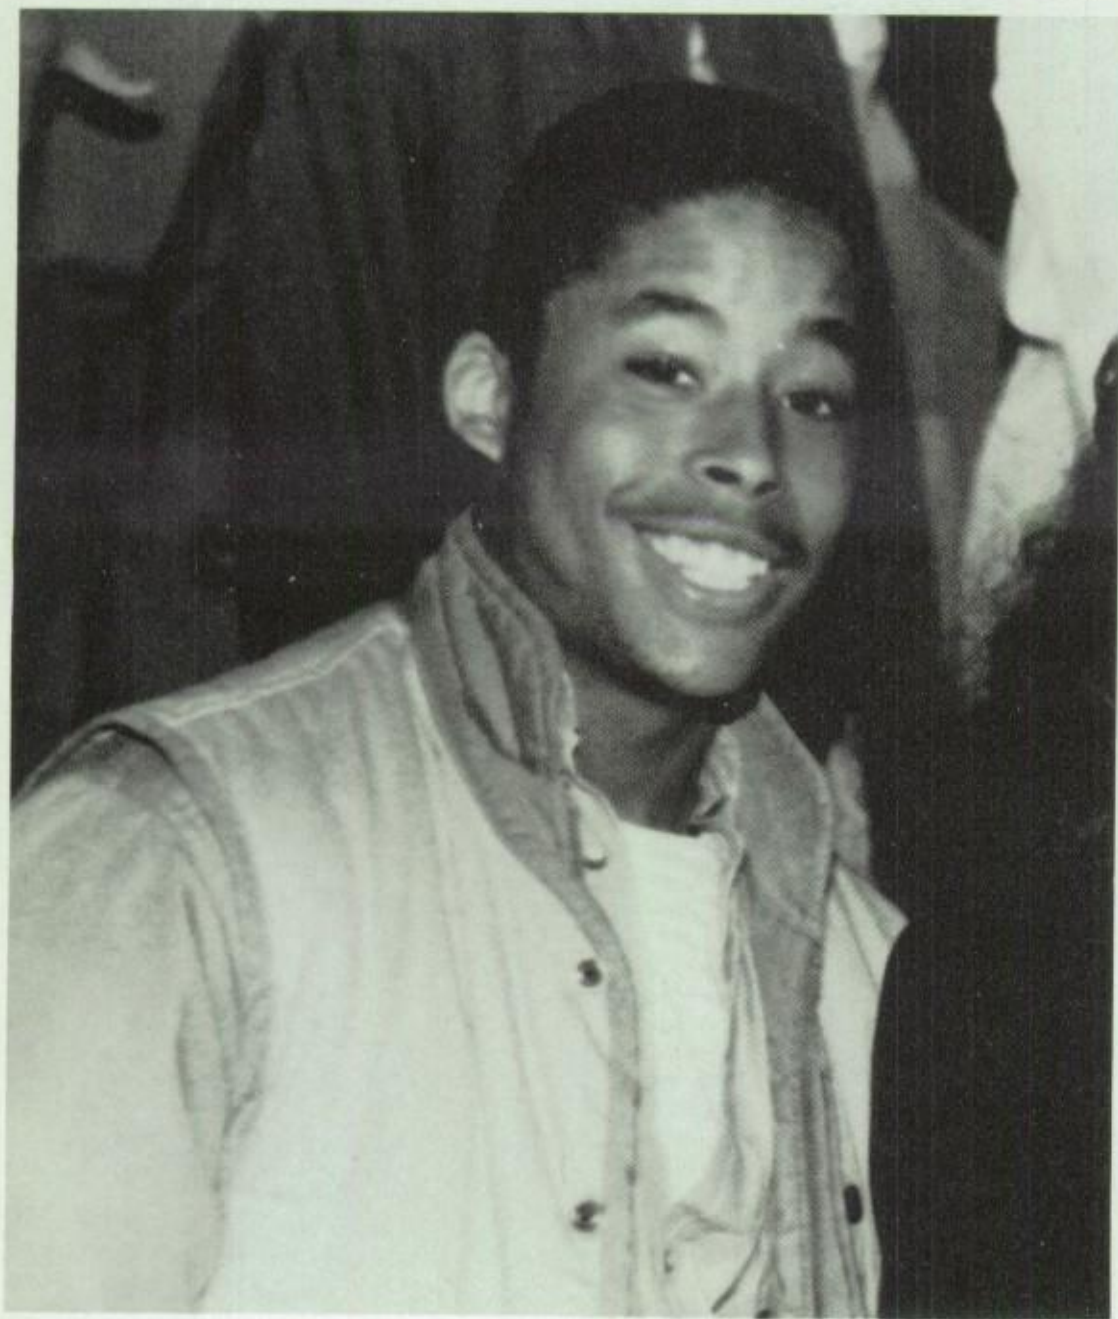

RALLIES

Rallies here at St. Bernard are a very important part of the Viking Spirit. They are organized by the Pep Squads. Cheerleaders, Songleaders, Flag Team and also receive help from the Pep Squad Moderator Ms. Butier.

The rallies involve all sports and the student body. They are put together during practices to promote school spirit.

PRINCESSES

This year, as always, the Homecoming Princesses went through the difficult procedure of becoming part of the royal court. You may think it is easy to become a Homecoming Princess, not true here at St. Bernard. The girl's must be nominated by their fellow classmates, interviewed by Faculty Administration, before the final selection is made. Each is judged not only on personality and service to school and community, but on academic achievement.

Members of the Royal Court for 1984 Included: Jennifer Anderson, escorted by Jeff Hutchinson, Nora Coonan, escorted by Neal Gervais, Jamie Horn, escorted by Ed Lewis, Toni Scates, escorted by Errol Taley and Ann Ward, escorted by Kevin Burke.

Homecoming is the most emotional game for Varsity Seniors. It is the last home football game of their high school years, and the last time, for most, to play the game ever again.

The Varsity Seniors are traditionally greeted by their parents on the field prior to game time. The parents show their enthusiasm and interest in their sons activities and wish him well in his last Big-Game.

PRESENTATION

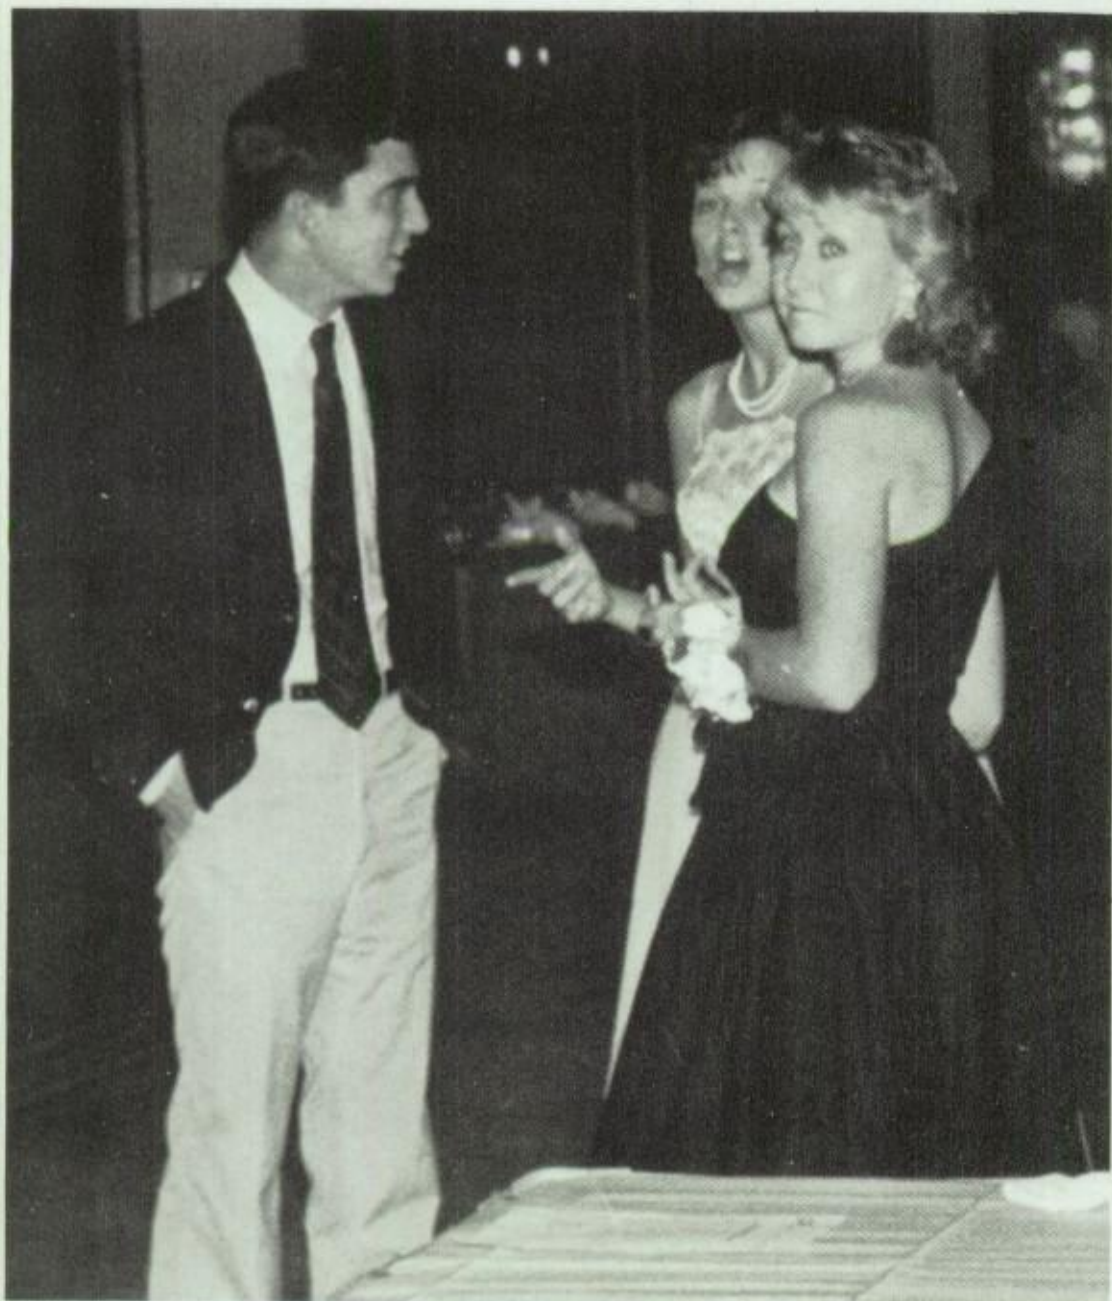

HOMECOMING

Friday, October 25, was a night to remember. Per usual the half-time activities were very exciting as the Royal Court rode around the football field followed by fire trucks, floats and an ancient black Dodge car driven by Jess Castro, ('61) and carrying this year's representative from the Alumni, including Sister Mary Anne, DMJ (the coordinator).

As the car neared the Homecoming Stage, Sister was dropped off, as she would eventually present the Homecoming Queen with her official Bouquet of Roses (compliments of the Alumni Association).

Congratulations to Miss Toni Scates who was crowned this year's Queen. The Alumni are very proud of her!

It was a great night as we "Welcomed Home" the graduates to their Annual Homecoming football game (We won!) and to the Dance which was held at the LAX Marriott Hotel the following evening.

CELEBRATION

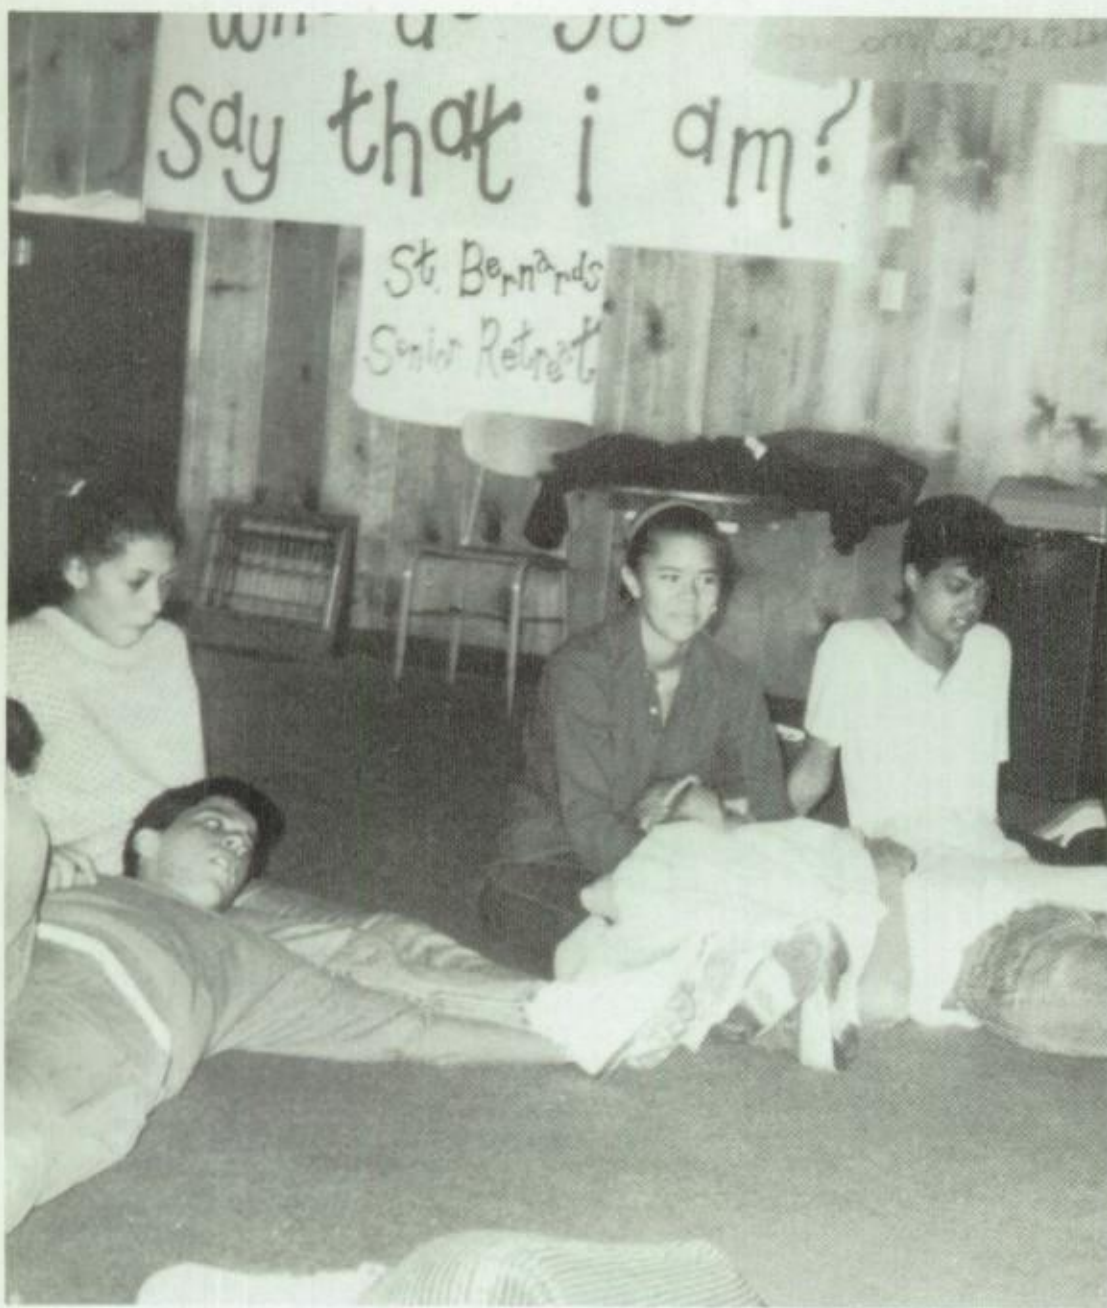

"The backdrop's not complete!" This was everyone's thought at the opening of school Mass which was celebrated during Welcome Week. Representatives of the administration, faculty and each class except the freshman brought forward a poster which became a puzzle piece to our St. Bernard's High School Logo. The posters were pieced together behind the altar to form a backdrop for Mass. Throughout the Mass the logo was incomplete. Finally after communion, representatives of the freshman class brought forward the missing piece. It was a fitting way to express that our school would be incomplete without the class of '88. What a great way to welcome the freshmen! The whole student body broke out into applause as the logo (drawn by Ann Ward) was complete and as our school expressed its completeness in Jesus Christ.

The student body gathered again for Mass the day before Thanksgiving. We gave thanks to God with resounding song led by the choir under the able direction of Mr. Martinez. The highlight of the Mass was the presentation of food stuffs to be blessed for distribution at St. Joseph's Center. SBHS students collected 1500 canned goods in an extraordinary show of generosity. Members of Campus Ministry Club brought the food to St. Joseph's Center in Venice after the Mass.

The experience of worship at SBHS developed so well that each class tried its hand at planning a Mass for Christmas. The Bible readings, petitions and solo hymns were all led by respective class members. Fr. Dick said that Jesus entered this world at Christmas so we could get to know him. Then, as we try to enter the party which is heaven, God the Father could ask us whom we know? We could reply that we know his Son. The Father would then say, "Well, any friend of my son's is a friend of mine. Come on in!"

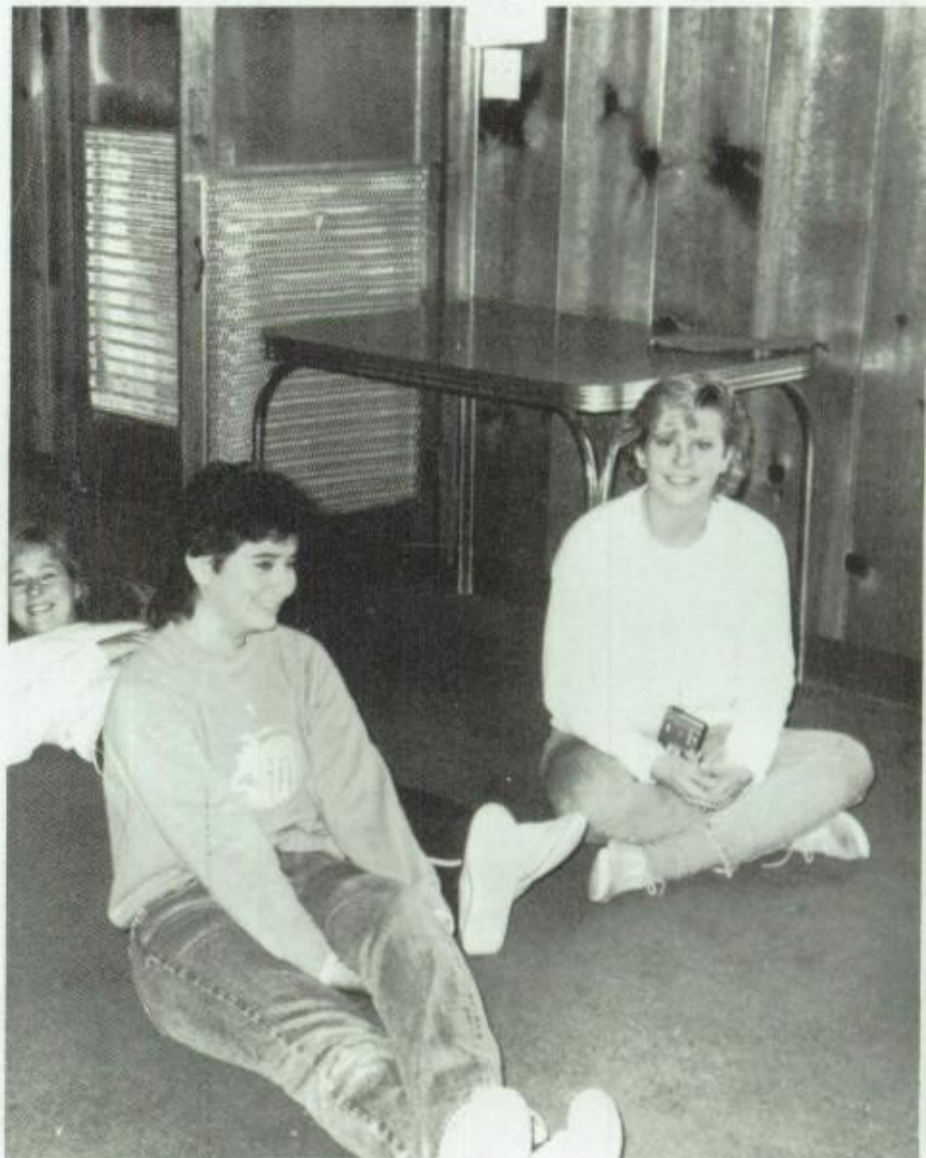

Jesus has certainly entered our lives in the Masses this year.

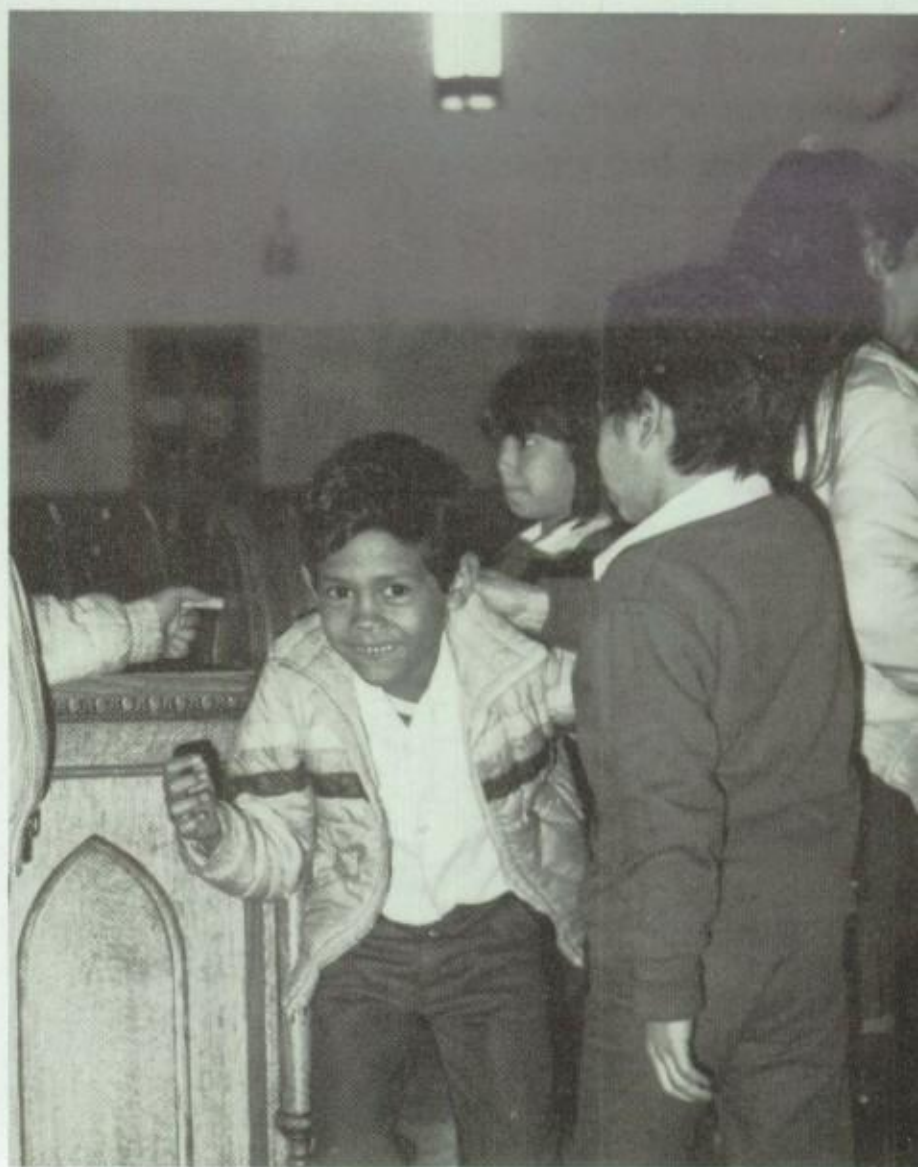

RETREAT

The Senior Retreat held in September was a special event. A lot of us went to it only knowing perhaps one or two other people. We played some ice-breakers games to solve this problem, soon we were all comfortable enough to seriously talk about ourselves and God. Together we organized a mass and planned for Campus Ministry's activities this year under the direction of Fr. Dick Martini. We left with a feeling of unity and togetherness among our new acquaintances. For this reason, the retreat was a success and a good memory for all involved.

JOYOUS NOEL

This years East Los Angeles Christmas Party for the first grade class of St. Turibius Grammar School, was a big success.

The children were very excited and happy to receive the presents that were brought and donated by the students of St. Bernard. The students here at St. Bernard really outdid themselves this year. The amount raised for the party was 1013.09 dollars. Because of the generosity of the faculty and students' time and money, the first graders had a wonderful party and received gifts which they probably never would have gotten otherwise. The appreciation shown on their faces will never be forgotten.

CHRISTMAS

"Looking For Christmas" was performed by the Concert Choir during Christmas. Each scene was written by an individual of the choir, which reflected their personal view of what Christmas means to them. In the spirit of Christmas all of the proceeds from the concert were given to the school for St. Joseph Center.

Concert Choir: Sonia Baccus, Moni Bergeron, Reggie Chapple, Lisa Compton, Domonica Cotson, Sonnette Ford, Susan Galvin, Christine Golden, Kate Goodreau, Gidget Haro, Annette Heller, Angela Henderson, Vernita Henderson, Nakupenda Henson, Ancorne Lumpkins, Trina McIntosh, Susan Mika, Don Nash, Keisha Nelson, Liz Paschke, Camille Presley, Kimberly Ransom, Raquel Raventos, Jeannine Samarge, Toni Scates, Arlene Searcy, Nicholle Simmons, Dana Siplin, Shannon Smith, Sheri Spicer, Kelly Stamps, Nicole Streip, Tori Tellum, Novelyn Ward, Carla Williams, Ea Williams.

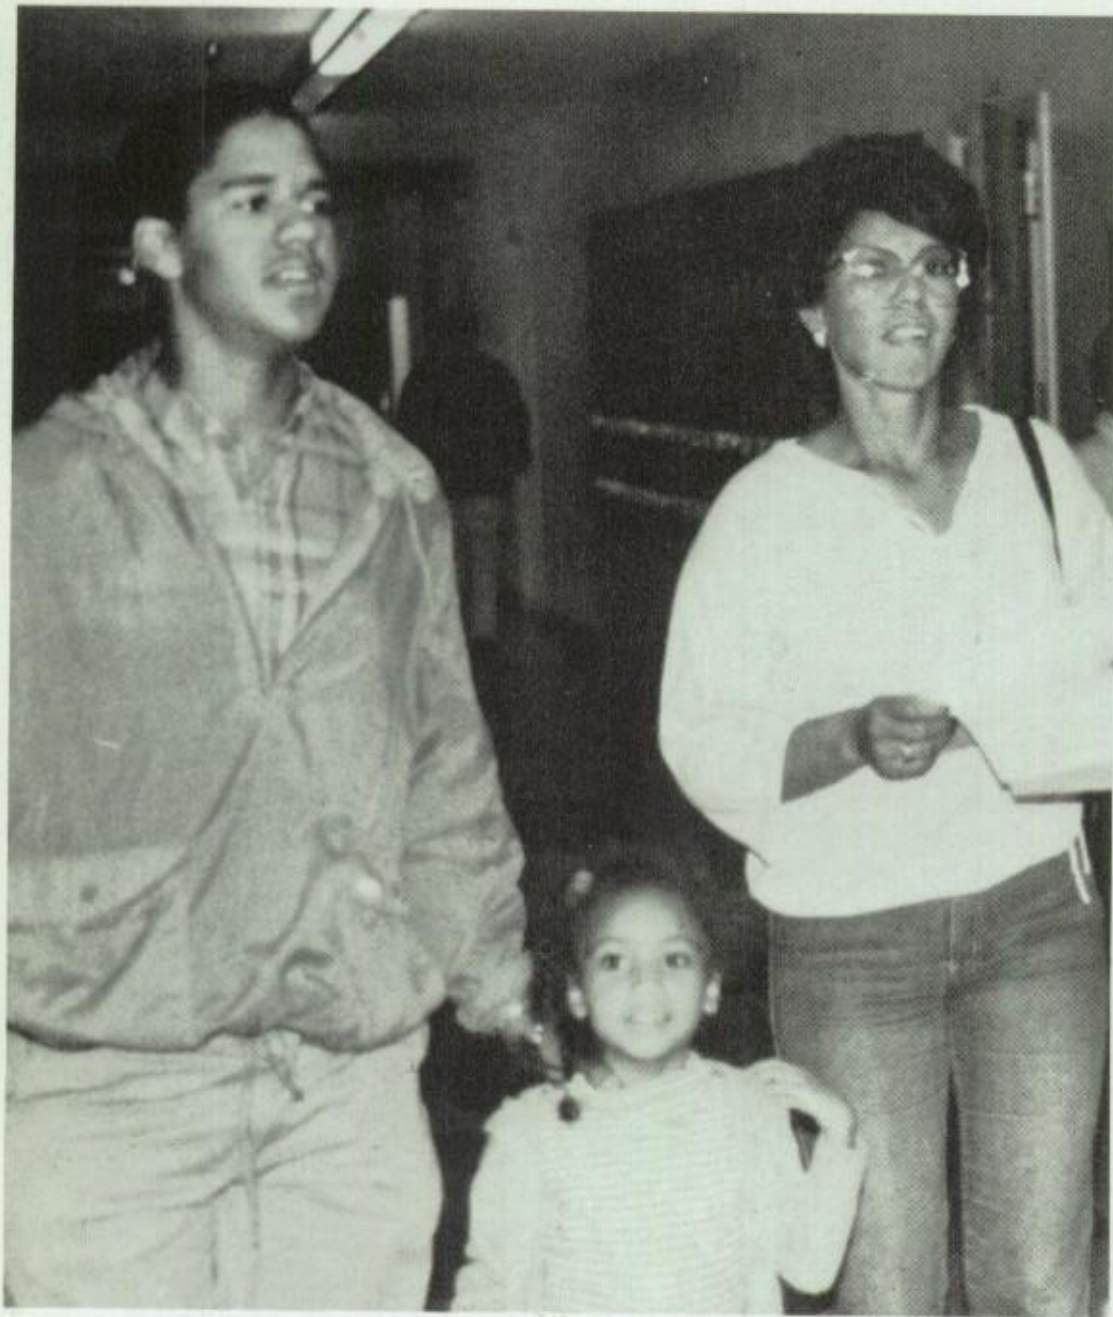

BEHIND THE SCENES

One vital element to the St. Bernard community is our parents. Parents show their involvement and dedication to our school in many ways. Through their participation and support in fund raisers, sporting events and providing security at games, we see that they are just as much a part of St. Bernard as faculty, students and staff.

Another group of devoted individuals led by Sr. Mary Anne Peterson; DMJ, is our Alumni Association. The Alumni Association provides a service, as well as a line of communication for all SBHS graduates. As well as planning reunions, they publish a quarterly newsletter and keep a constant update of addresses. They also provide a scholarship to undergraduates.

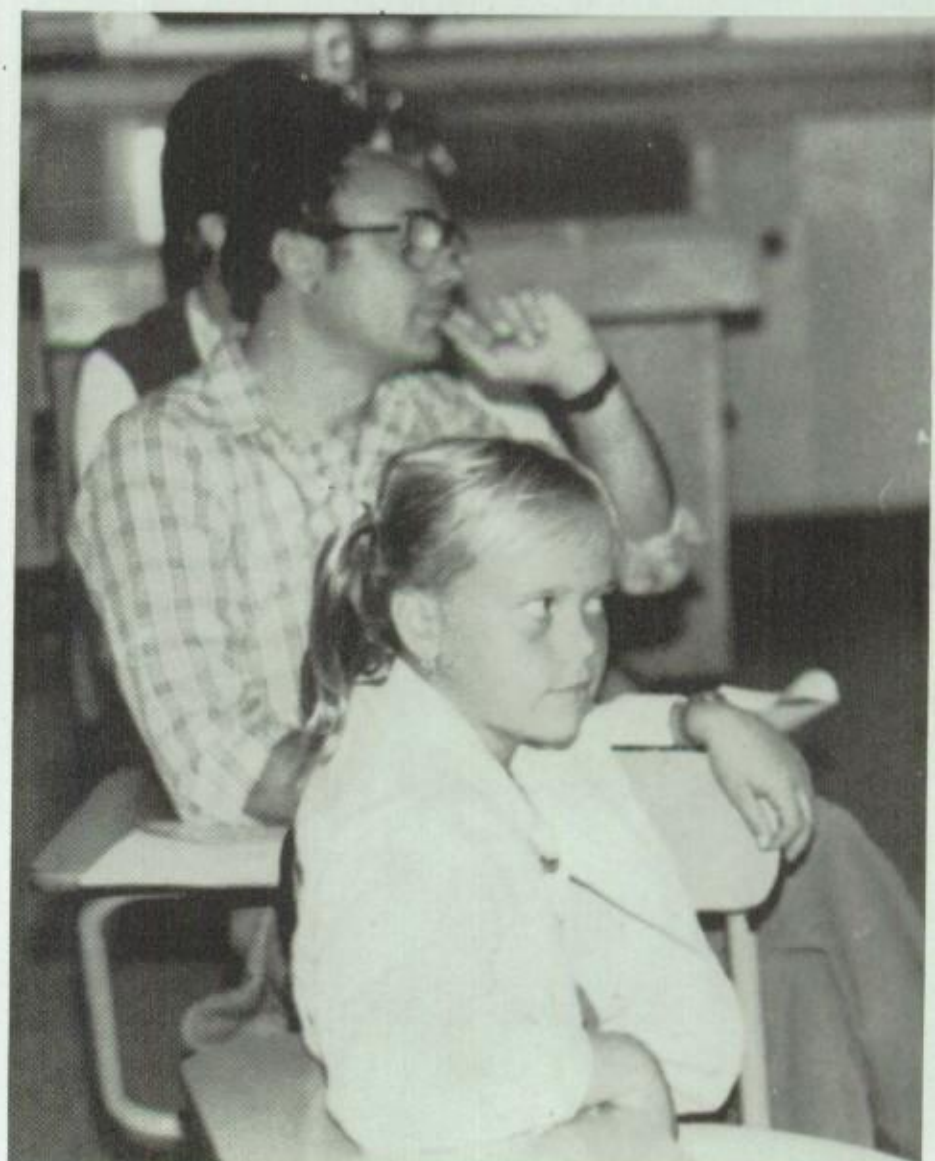

As a member of the Alumni Association each graduate is given the opportunity to continue a relationship with St. Bernard. Many Alumni return to SBHS as volunteers, such as Chris Castro, or teachers Mrs. Doris Gatfield, Mr. Terry Coonan, Miss Katie Ward, Miss Lisa Peery and Dean of Students, Mr. Marc Paez. As Sr. Mary Anne has said "Because you move on doesn't mean you will lose touch, or not be in the thoughts of many."

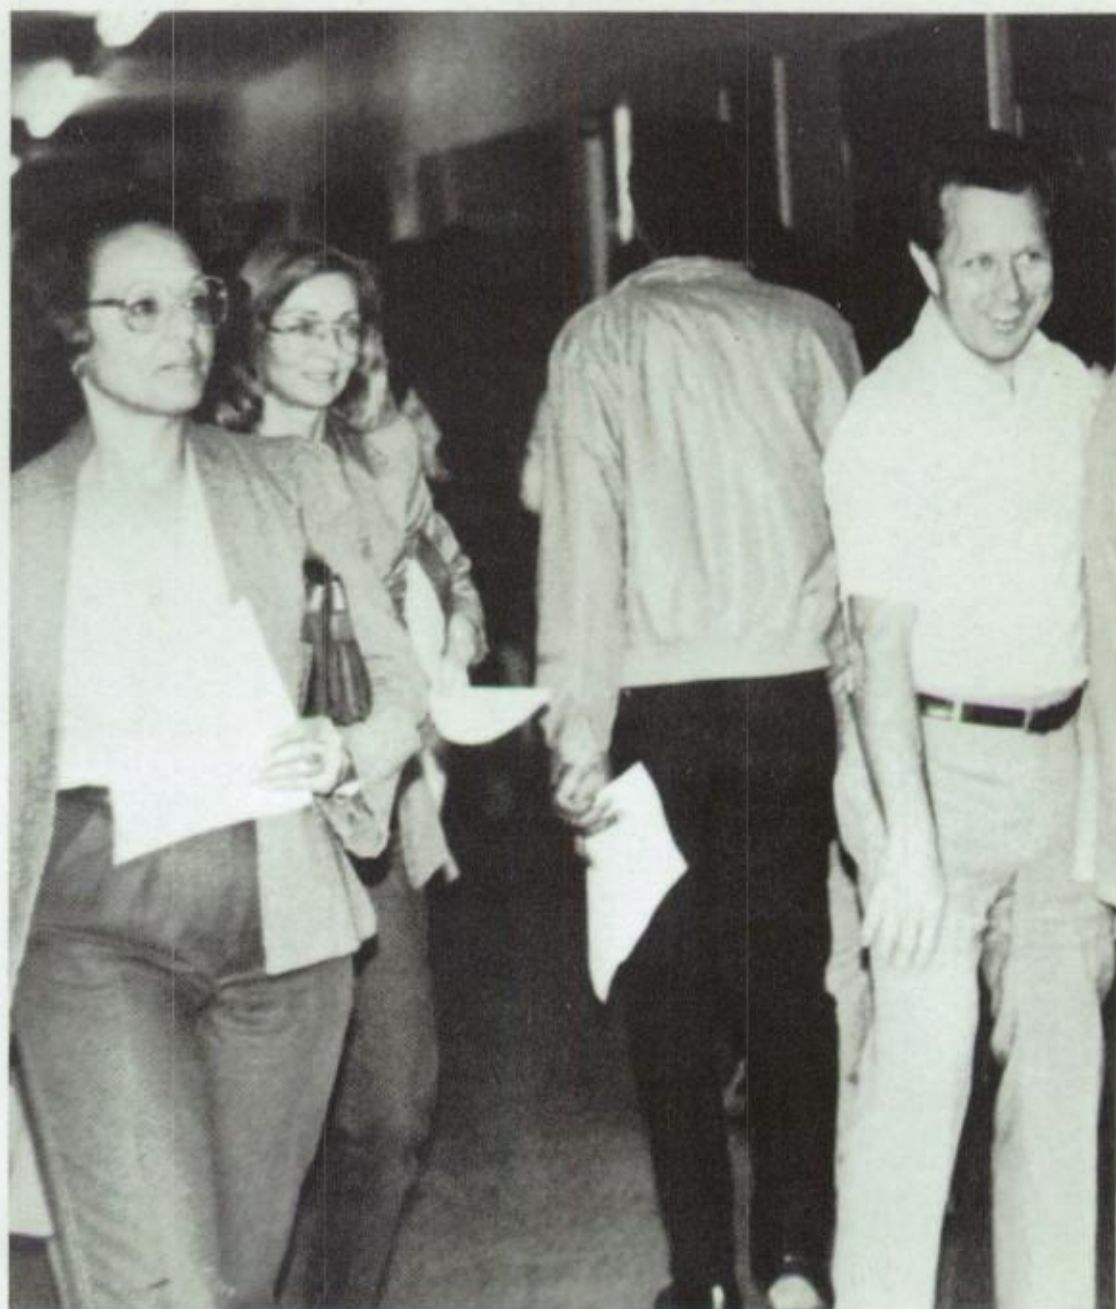

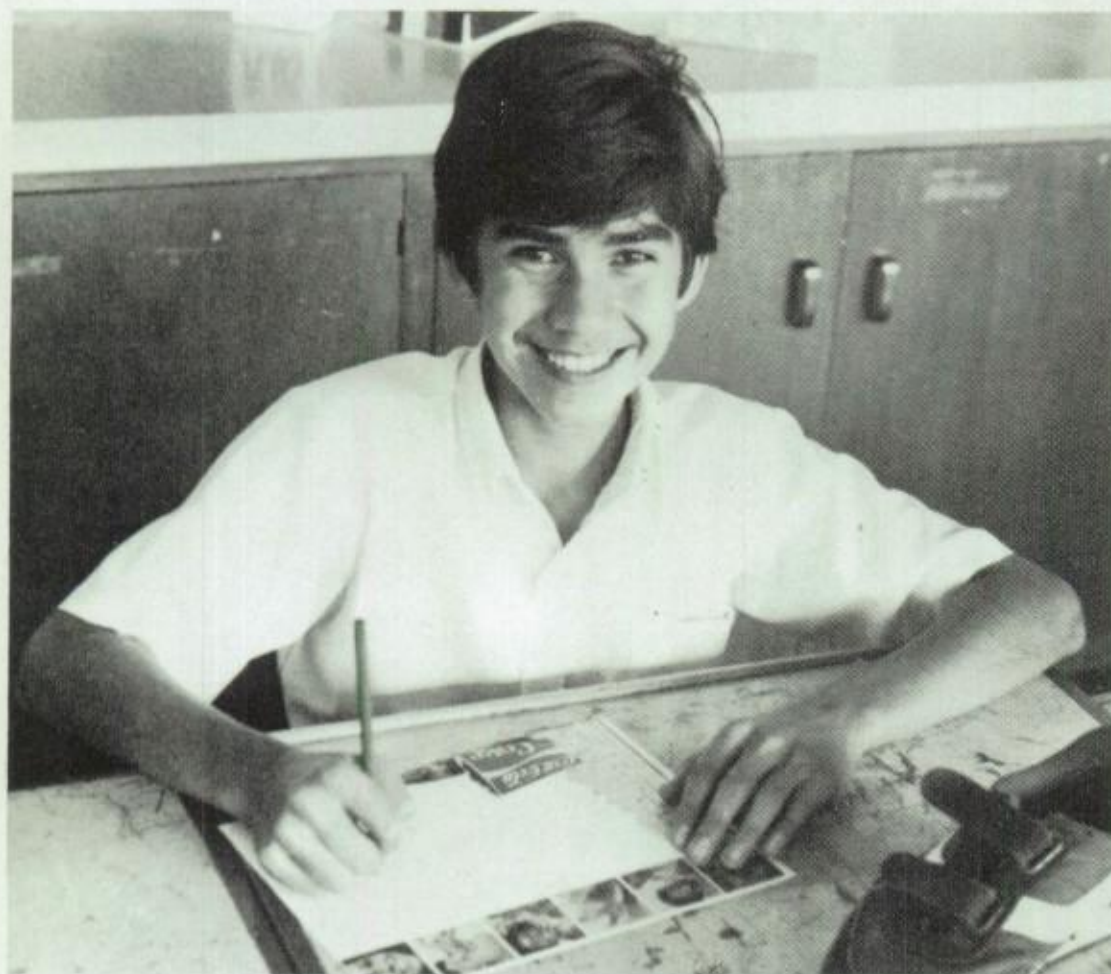

BACK TO SCHOOL

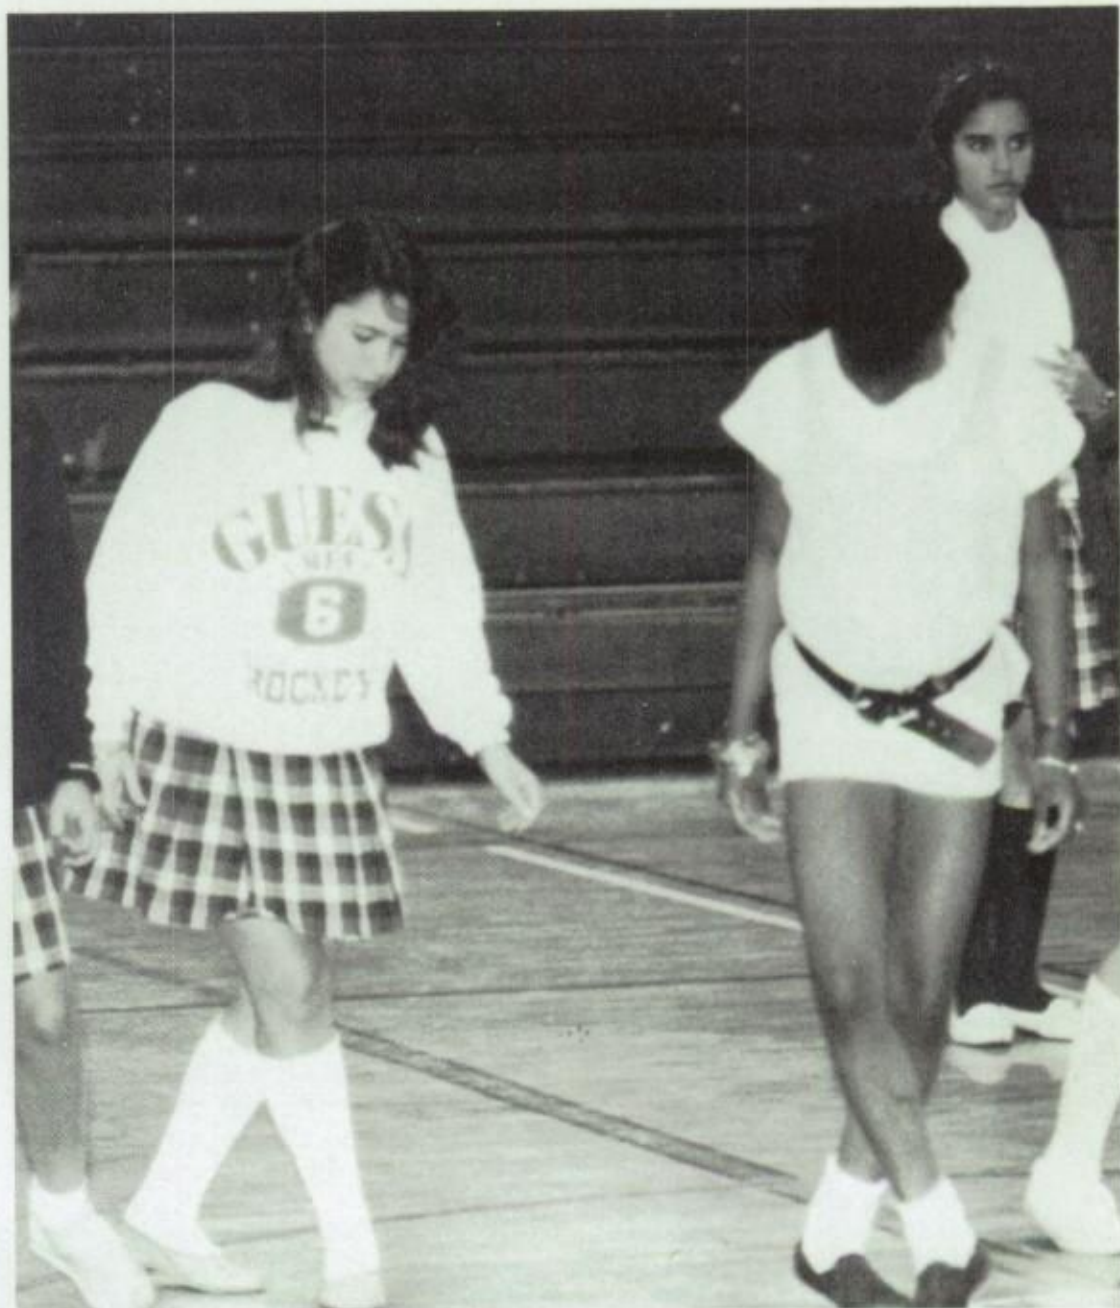

Back to school night is a night where the parents get to change places with their students. The parents got their students schedules and for an hour and a half the parents went to each class and talked to their students teachers. They sat in their students desks and some teachers even gave pop quizzes to the parents. Parents remember what it was like to be a student again!

VIKING DAY

Viking Day is the day when eighth graders from the area, are invited to visit our campus for a preview of High School.

This year the program began with an assembly in the gym where the students were welcomed by the Student Body President, Jeff Hutchinson and Father Kidney. There were special presentations by the Pep Squad, Varsity Basketball and Football teams.

The eighth graders then divided into groups and were guided on special tours. Some of the department visited were Science, Computer, Physical Education, Art and Campus Ministry.

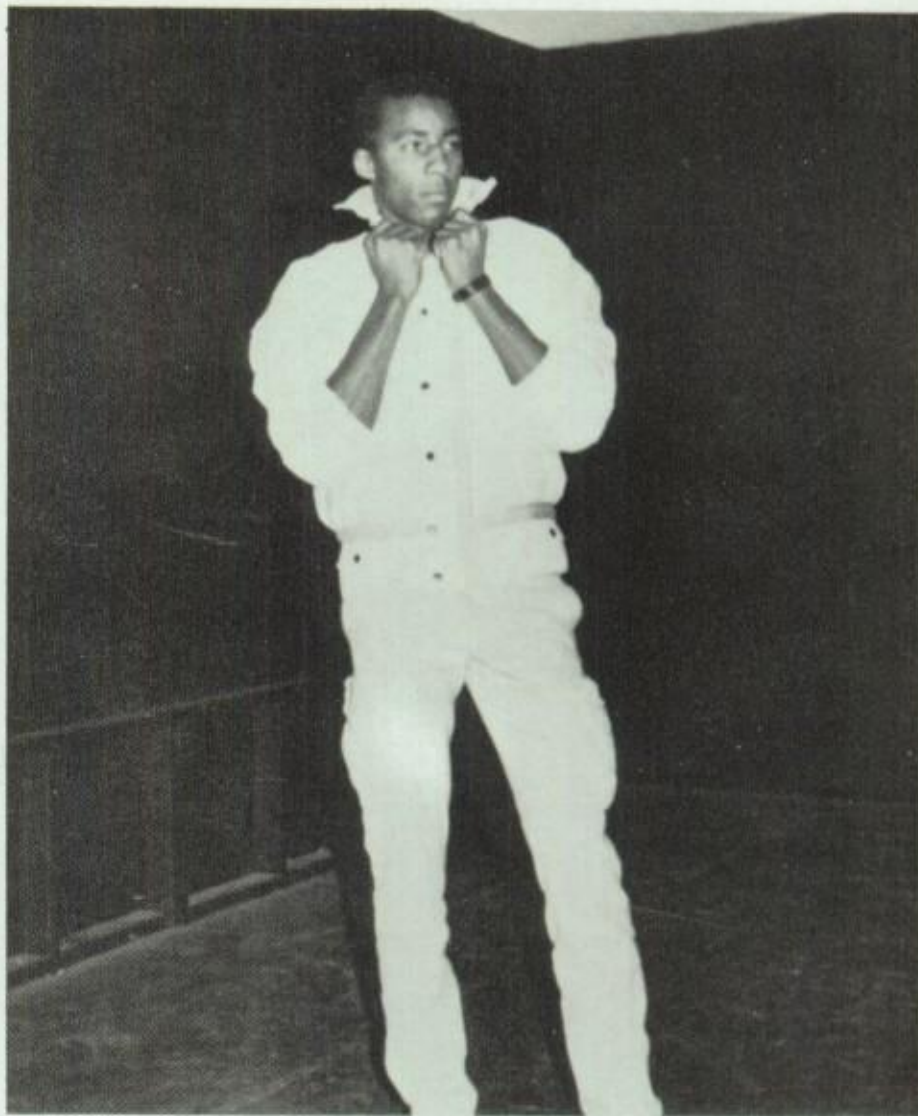

FASHION SHOW

First semester plannings were the most difficult. A fashion show was to be held in March. Elaine Dumas, the fashion show coordinator, set out with three other assistants to accomplish a most difficult job. She was aided by Renee Richard, Marlise Ervin, and Teri Terrelle.

Tryouts were held in early November, where several students were chosen to model for the upcoming event "Going Places In Style, Extravaganza." Through a lot of effort the students practiced consistantly for four months, once per week, to make the show a success. At intermission, the brothers and sisters of some of the models modeled their clothes.

Sunday, March 10, 1984, at 3:00 p.m. the show took place. The money raised was donated by the Senior Class to the Exceptional Childrens Foundation to help benefit the handicapped. Clothes were furnished by a few businesses for the models to advertise. But, without the support and patience of the class moderators, Sr. Mary Thomas, and Mr. Sferra the show would have never made it.

OLYMPICS

On July 28 of this year the 23rd. Olympics opened with a bang. President Reagan was on hand to give a warm welcome to all. There was a tremendous show of national pride.

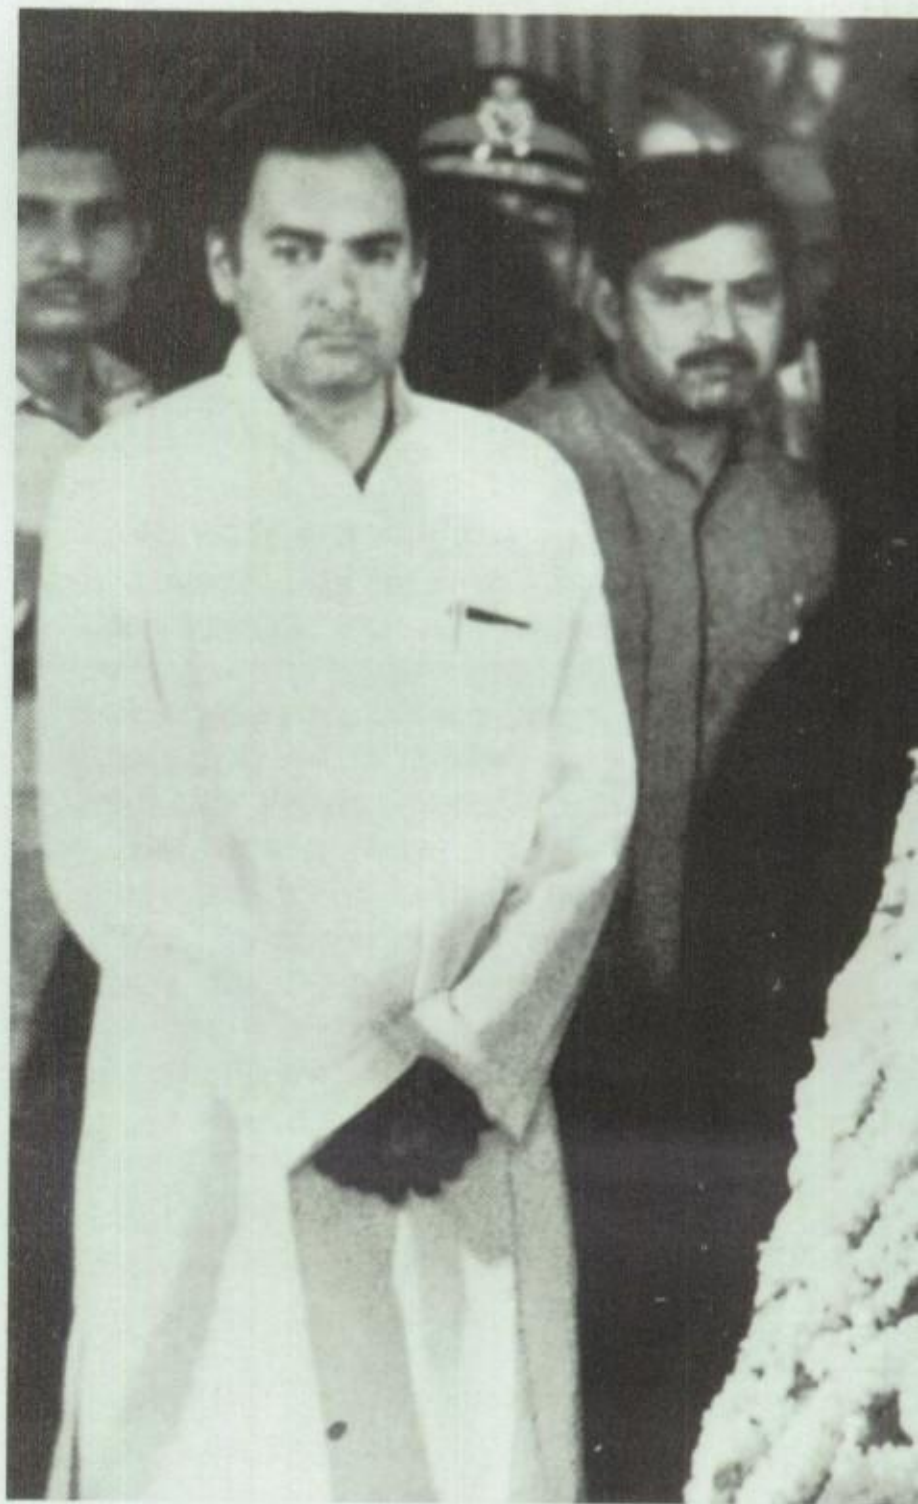

The Olympics did not only give Los Angeles residents a first hand opportunity to view many events, but they also provided many jobs. Both Faculty and Students found ways to utilize their many talents during this historical occasion. Julio Hanson is part of a choir that was invited to sing at the opening ceremonies, Mr. Bill Seward worked as a sportscaster for ESPN. Not to mention all the other students who found lucrative summer employment.

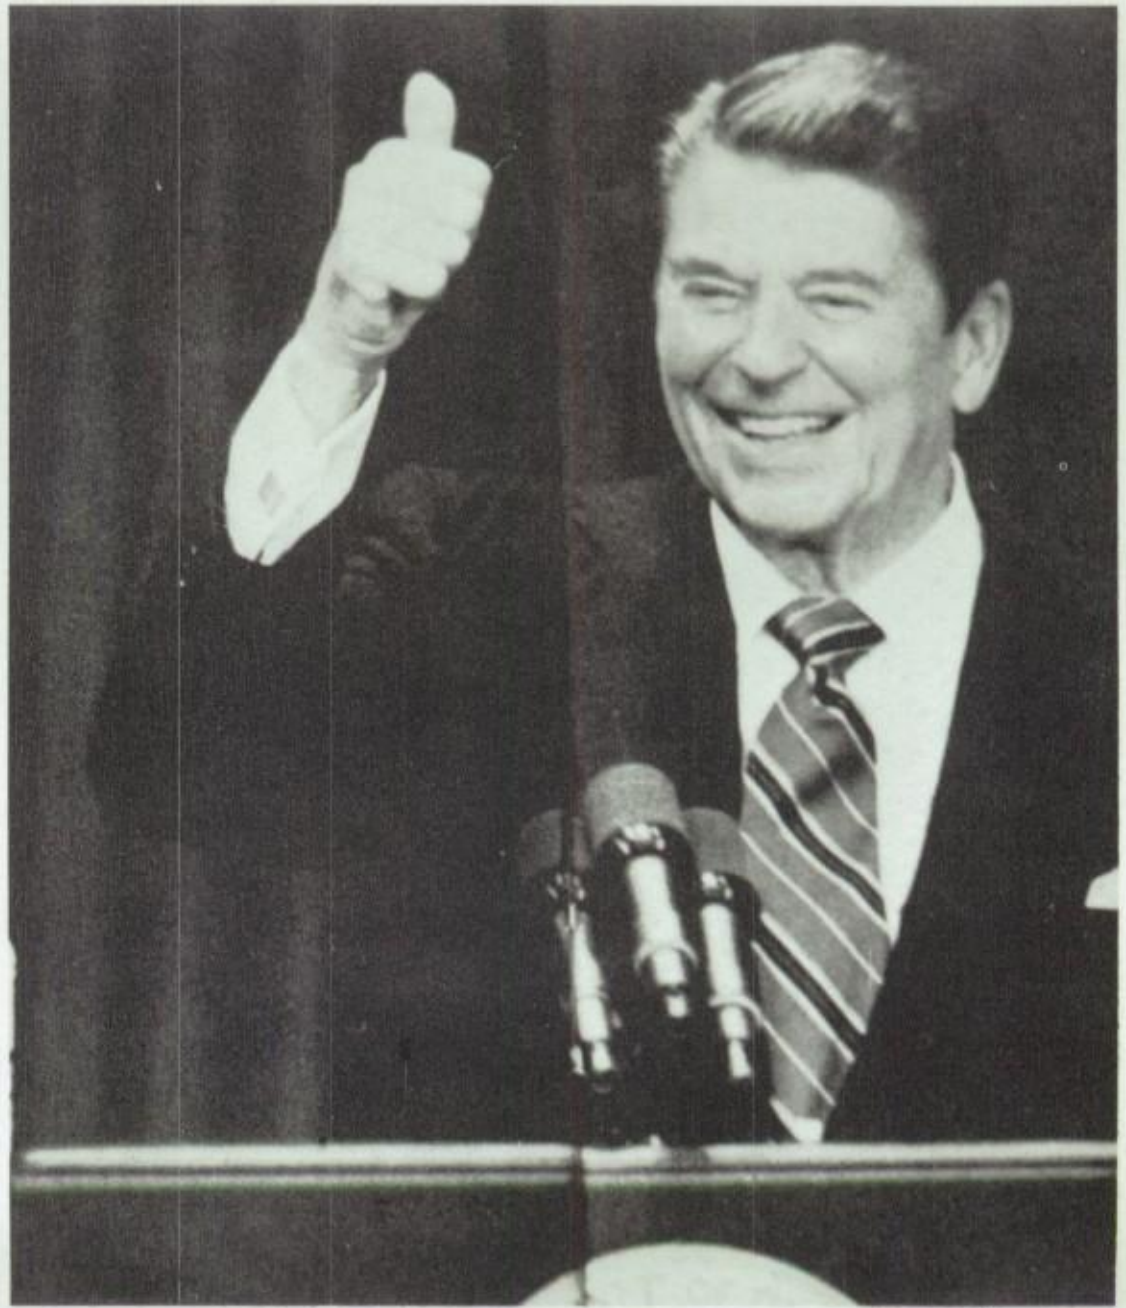

IMAGES OF 1984

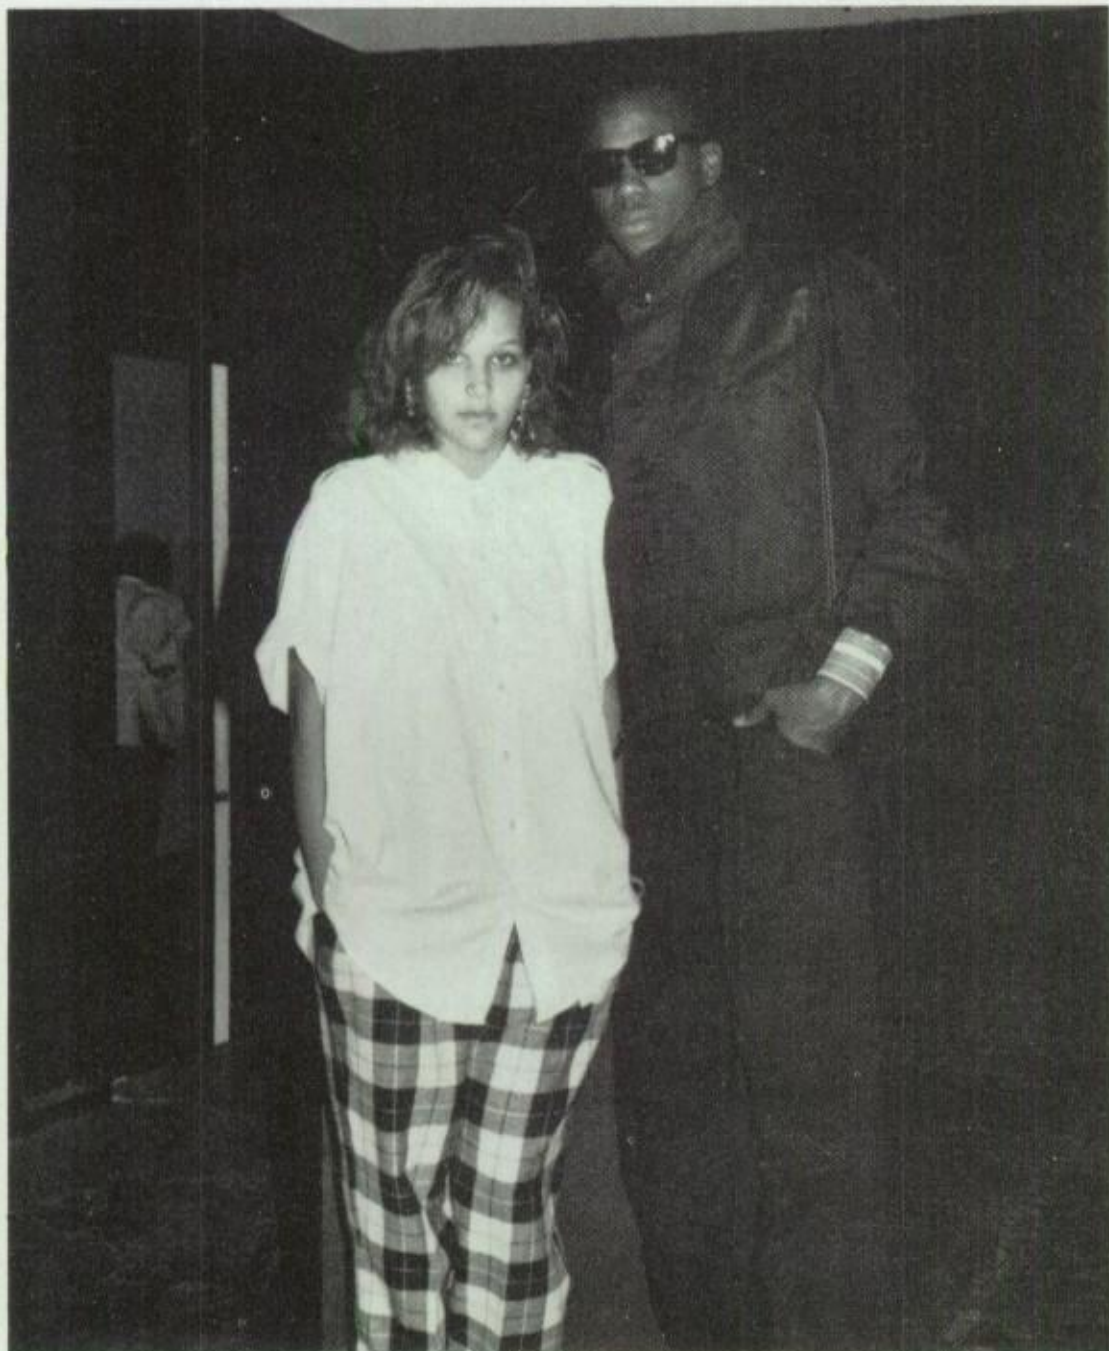

1984 a year to remember for many reasons! It was the year L.A. hosted the Olympics, President Reagan was elected to his second term. This was the year that the world opened it's eyes to the plight of the Ethiopians. Many were called to help in very individual ways. It was a time for many to achieve their Olympic dreams, a time when the world felt the sorrow for a leader assassinated. It was as any year, a year of great joy, of dreams fulfilled, steps taken forward.

FADS AND FASHION

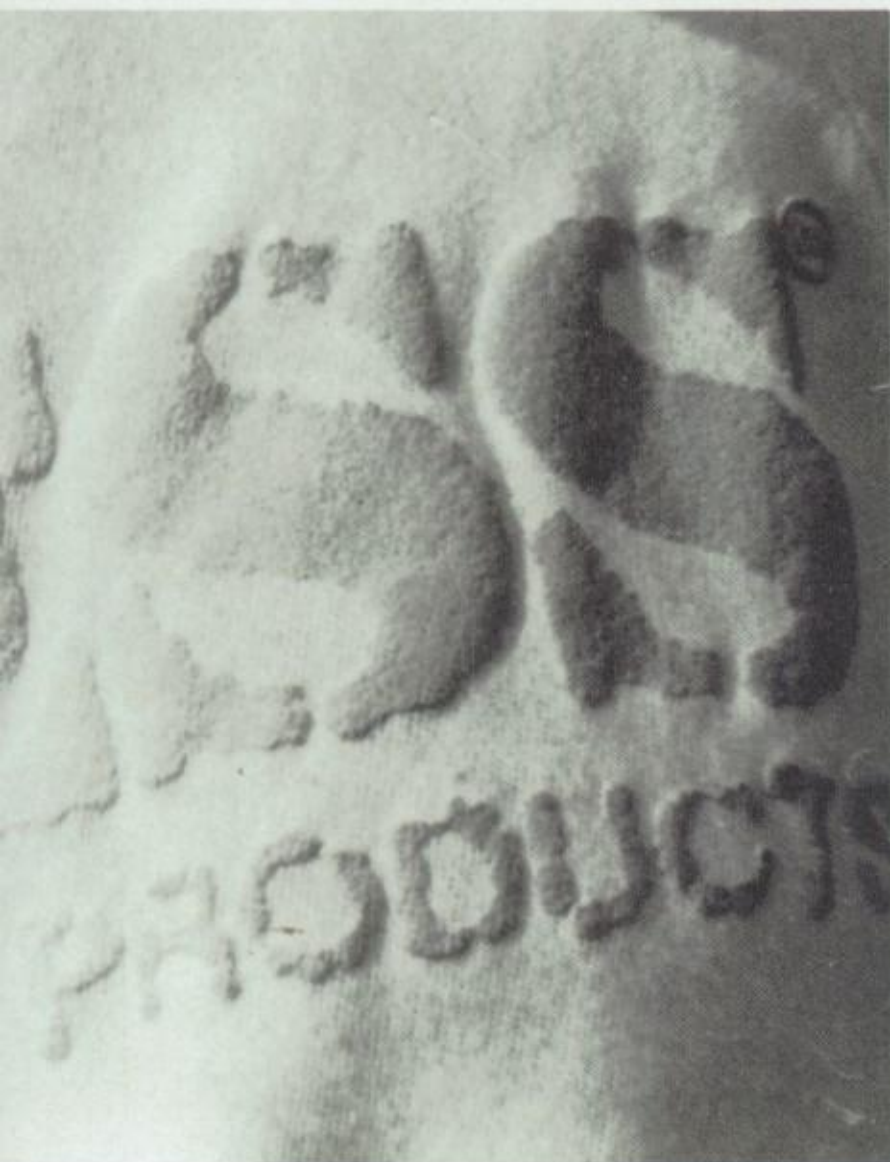

FADS AND FASHIONS

Walking through the crowded halls, we saw pair after pair of Guess pants, often topped with a matching jacket. The "Layered Look" consisted of anything you could find in your closet, all blended together creating an outfit. In addition, we saw many people wearing bright fluorescent clothing.

After school and on the weekends, many students gathered in Westwood to shop, eat, and socialize. Another favorite gathering place was the Movies and the Beach.

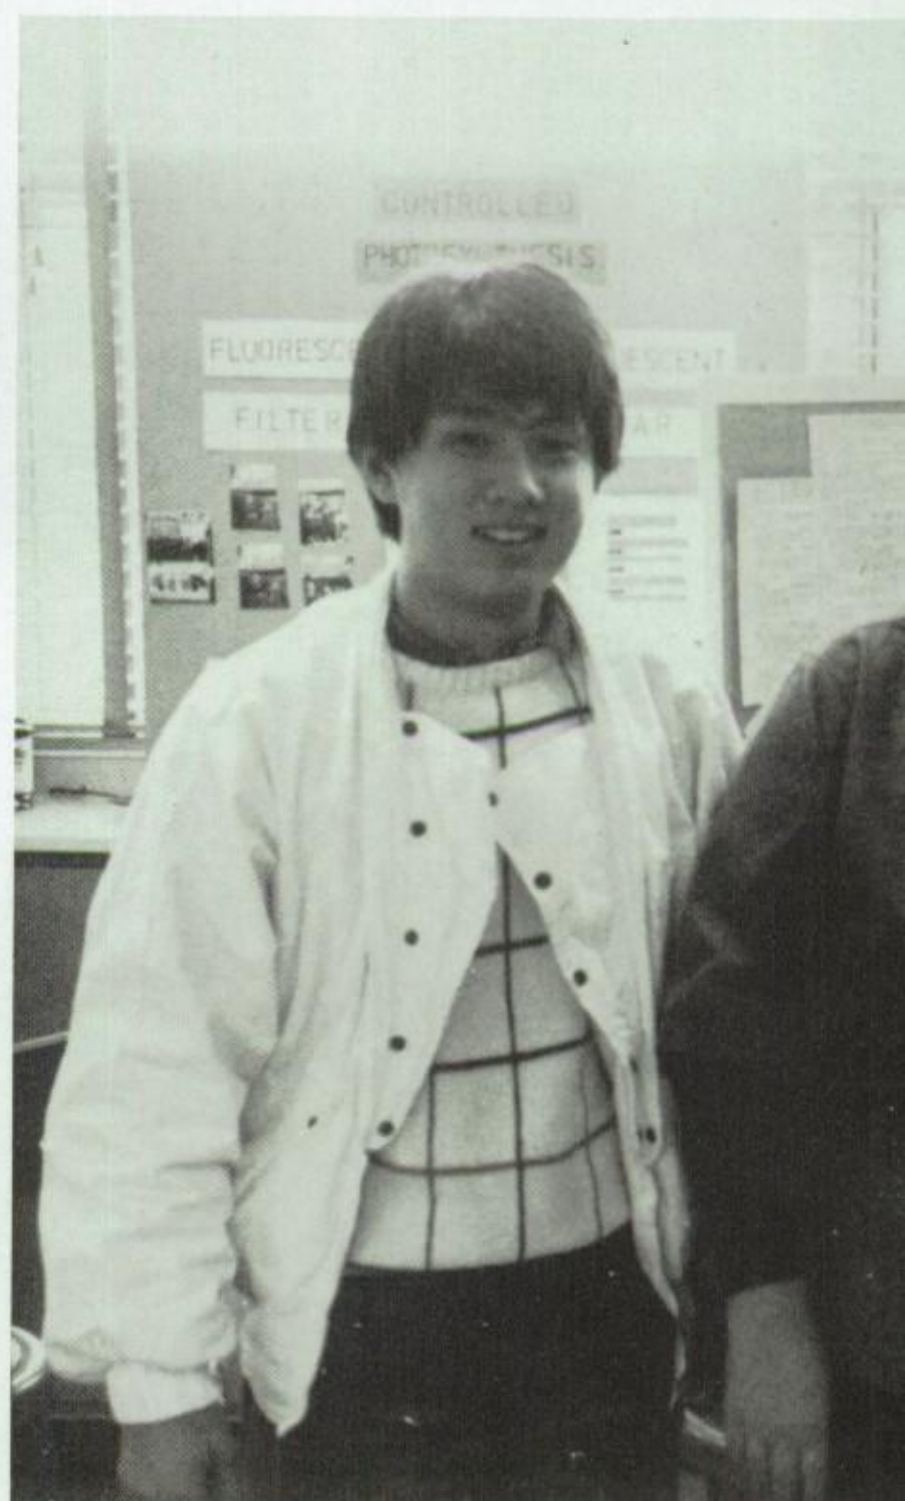

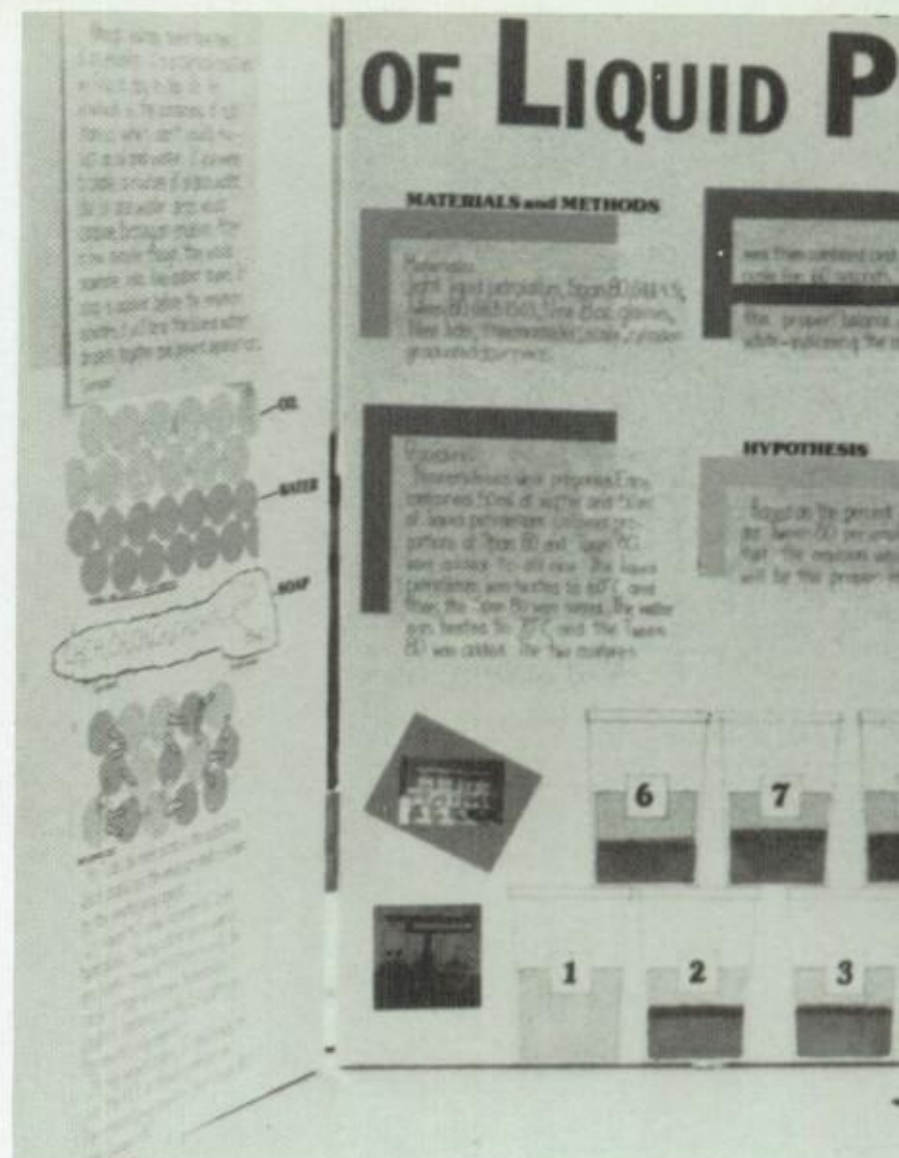

Many students also spent their free time going dancing, and as usual, students also entertained themselves by watching television and listening to music.

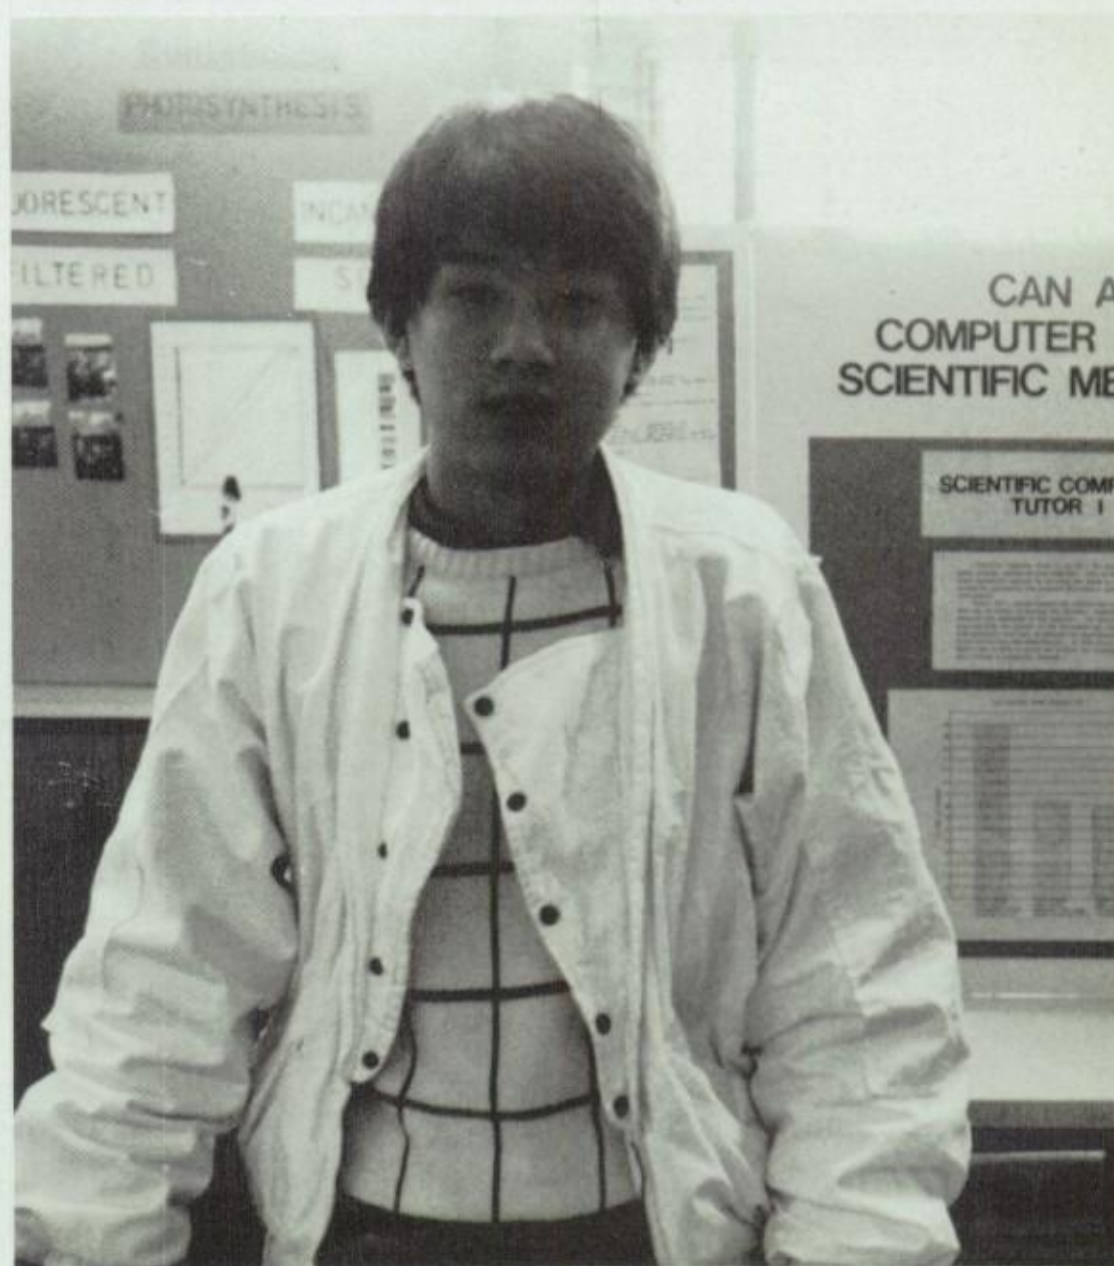

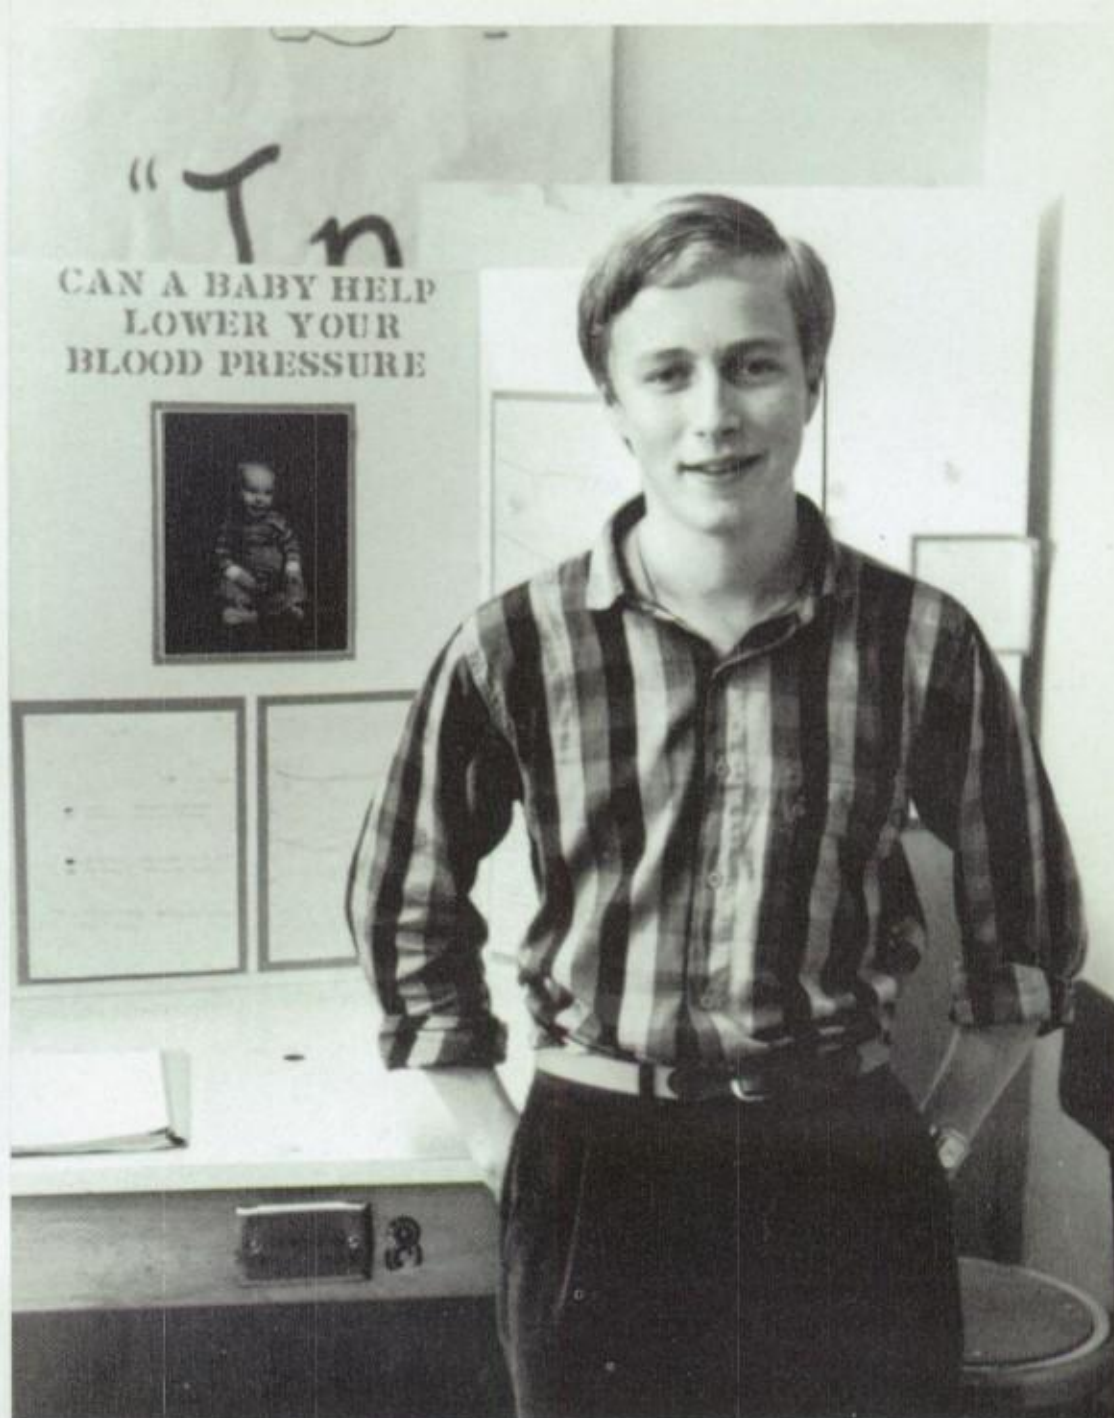

Movie of the Year: Beverly Hills Cop, Favorite Male Singer: Michael Jackson, Favorite Female Singer: Madonna, Favorite Comedian: Eddie Murphy, Favorite Saying: You get nothing, Dry!, Hangouts: Fatburger, Shakeys, The Most Unforgettable Fad/Fashion: "The Fluorescent Look".

SCIENCE FAIR

Each year through the Science Department students are encouraged to participate in the Science Fair. Students are responsible for deciding on their own projects. This years' winners were Michael Barth, Alec Jones and Alan Akahoshi. Through the guidance of Sr. Sharon, Department Chairperson, the Science Fair, as always, was a big success.

Mom & Dad

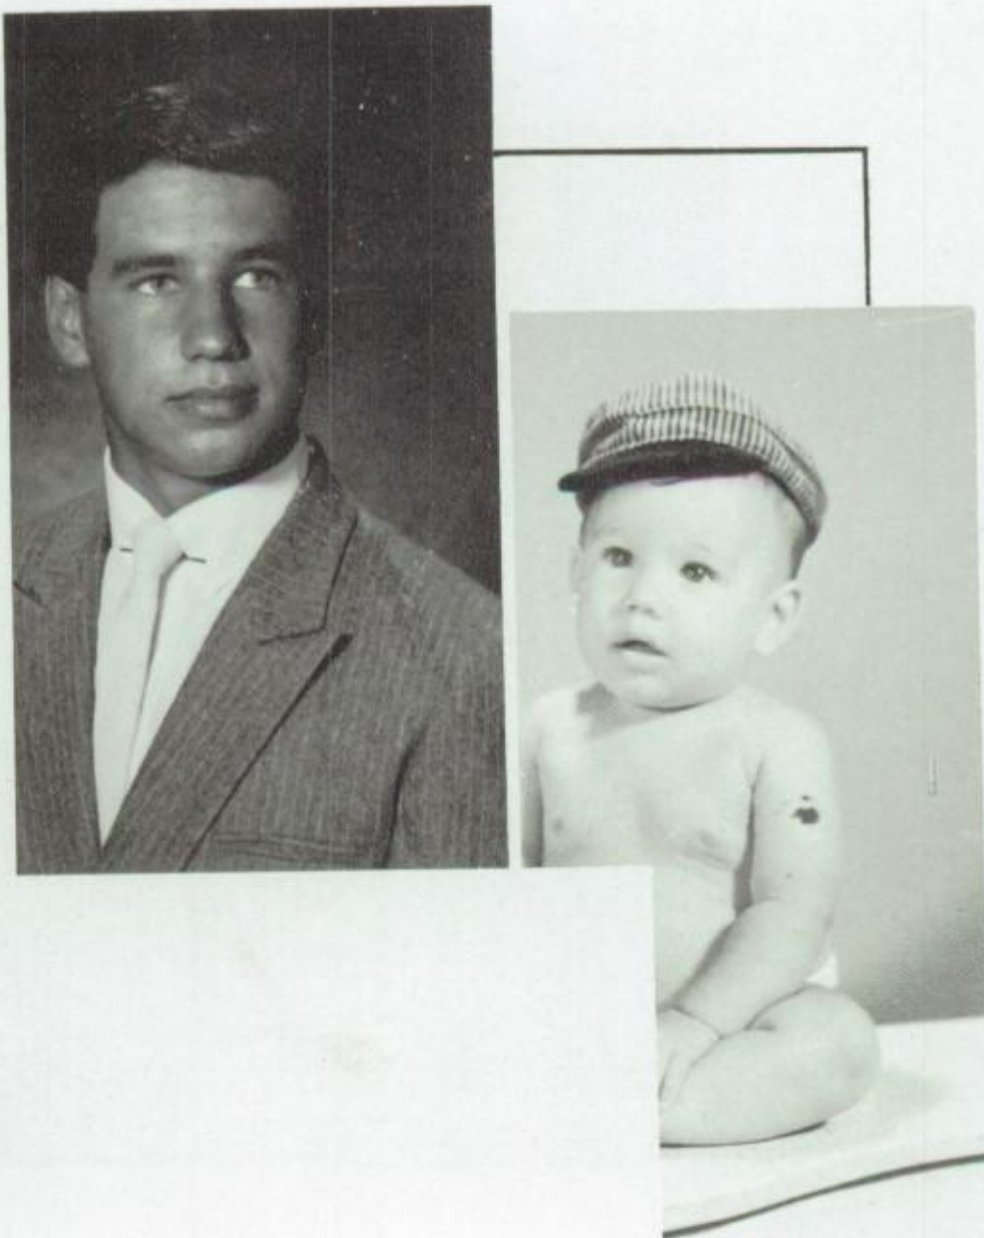

Pleasure is a shadow, wealth is vanity, and power a pageant; but knowledge is ecstatic in enjoyment, perennial in fame, unlimited in space, and infinite in duration. In the performance of its sacred offices, it fears no danger, spares no expense, looks in the volcano, dives into the ocean, perforates the earth, wings its flight into the skies, explores sea and land, contemplates the distant, examines the minute, comprehends the great, ascends to the sublime — no place too remote for its grasp, no height too exalted for its reach.

For Anthony Nettles,

These are the blessings I'm wishing for you —

Good health and happiness all your life through,
The pleasure of doing the work you like best,
Hours of leisure for play and for rest,
Pride in the things you've accomplished so far,
Wisdom to know what your goals really are . . .

Patience when problems arrive at your door,
Belief that still happier years are in store,
The blessings of friends who will make your
days bright,
A strong sense of humor to keep your heart light,
And always the knowledge that God up above
Is caring for you with His infinite love.

It has been more than a pleasure knowing you, ~~Especially~~ that man. Mr. Rome. I have never had such a teacher quite like him. Stay & Sweet and may knowledge be your path to happiness.

Dear Seniors:

As you continue your journey through life I would like to share with you a prayer from a distant land.

May the wind always be at your back,
May the road rise up to meet you,
If it does rain, may the rain fall softly on your face,
Until we all meet again, may the Lord hold you in the palm of His hand.

My friends, my prayer for you is that your days be full of joy and the light in your life will overcome any darkness, but remember there is an old saying which says "All sunshine makes a desert." So, we must hope for a little rain sometimes so there will be some growth, life and some green.

I hope that we have prepared you to do deal with the rain and grow from the experience to enjoy the sunshine and share with others. Go in peace with the love and blessing of the Lord.

Yours in Christ,

Liam J. Kidney
